2130 while driving on Flowstone I observed a marron truck with the bed area full of construction debris. I followed the vehicle to see if it was going to dump the material on a construction site.

The vehicle drove away fast and in a manner that would lead a person to believe that the truck was trying to evade detention. I observed the vehicle travel south on Mayfield Ranch Pkwy through the East New Hope intersection. The vehicle was gaining speed and turned left on Caprock. I caught up to the vehicle and pulled it over after observing traffic violations. Spoke to driver and determined that he had no legitimate business in the Highlands area. It was determined that the subject was wanted on warrants and was in possession of marijuana. The subject was arrested. It was determined that there was no criminal activity that occurred in Highlands.
