The Importance Of Being A Good Example

Parents often have an easier time enforcing rules if they are setting good examples for their children. When it comes to drinking, drug use, and other risky behaviors, it is not always enough to tell your children these behaviors are forbidden. Parents should model the behavior they want to see. Drinking in moderation and abstaining from drug and nicotine teaches children about boundaries and responsible behaviors and reinforces the message that dangerous substances really are dangerous. For more information, request a copy of the VIRTUS® article "Ten prevention practices you may not have considered," at <https://lacatholics.org/did-you-know/>.

La Importancia De Ser Un Buen Ejemplo

A los padres de familia a menudo les resulta más fácil hacer cumplir las reglas si están dando un buen ejemplo a sus hijos. Cuando se trata de beber bebidas alcohólicas, consumir drogas y de otras conductas riesgosas, no siempre es suficiente decirle a sus hijos que estas conductas están prohibidas. Los padres de familia deben modelar el comportamiento que ellos quieren ver. Beber con moderación y abstenerse de drogas y nicotina les enseña a los niños sobre los límites y los comportamientos responsables, y refuerza el mensaje de que las sustancias peligrosas son realmente peligrosas. Para obtener más información, solicite una copia del artículo de VIRTUS® en inglés, "Ten prevention practices you may not have considered" (Diez prácticas de prevención que quizás no haya considerado) en <https://lacatholics.org/did-you-know/>.
