Mission Statement

G.O.L.F.

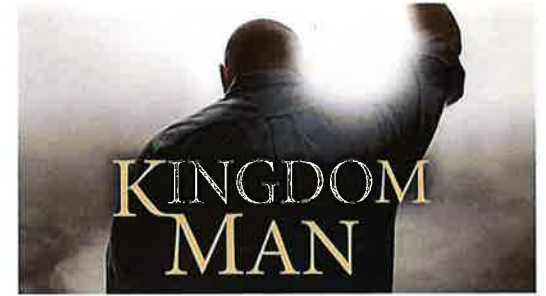

is a fraternity of Christian men
committed to
developing a deeper
relationship with our Lord, Jesus
Christ.

The group was developed to promote the growth of Christian Fellowship to the Men of our faith. The presence of men in the Catholic Church is diminishing and through experience in various journeys we felt the need to develop a deeper relationship with our Lord, Jesus Christ by bringing this group together. Even though we will keep this group as a Christian Group, the majority of what we will be doing will be Catholic based. However we will be an open group that accepts all Christians who want to join this journey with us.

Our Vision

- To encourage men to develop their personal relationship with Jesus Christ.
- To welcome the Holy Spirit for Guidance in our mission to serve.
- To hold each other accountable through prayer, ministry and fellowship.
- To become a supportive environment that touches the lives of the entire church family.
- To promote opportunities that lead to significant vital relationships.
- To become a magnet for service and a resource for other church ministries and missions.
- To provide a series of events that will promote fellowship, outreach, and evangelism.
- Being formed through Sacred Scripture and the Sacraments.
- A group open to all men, over the age of 18 years old, within our family of Parishes.

“a kingdom man may be defined as a man who positions himself and operates according to the comprehensive rule of God over every area of his life. And every area of life should feel the impact of a kingdom man’s presence.”
— Tony Evans
