As you know, our federal government is made up of three branches: an executive branch, headed by the president; a judicial branch, headed by the U.S. Supreme Court; and a legislative branch, made up of the U.S. Senate and House of Representatives. How much trust and confidence do you have at this time in the legislative branch, consisting of the U.S. Senate and House of Representatives -- a great deal, a fair amount, not very much or none at all?
