AROUND OUR PARISH •

FR. MAXIMAS' VISIT

We were blessed this past weekend to have Fr. Maximas from Sri Lanka visit us. With Fr. Kevin away on a previously planned, much earned vacation, we had the opportunity to be with Fr. Max and got to know this special young man of God. He is only 40 years old and looks just like one of his young seminarians who are around 20 – 21 years old. He is building a friary with the help of the seminarians and donations from parishes like ours. He is a very genuine person who lives his faith with great determination.

I want to THANK everyone who helped transport Fr. Max or take him to a meal or give him a tour of our beautiful community. We are a blessed Parish of giving, generous people who never fail to step up when called upon. Thank you and God Bless you all.

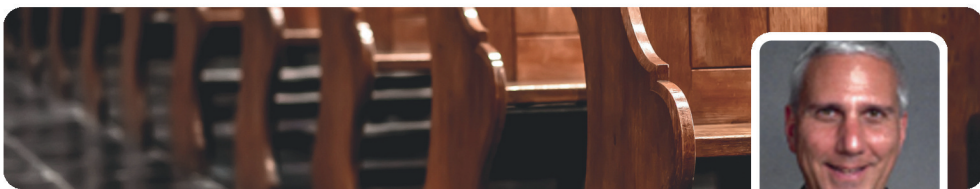

– Judi Damon

HELP NEEDED

TRC CCD is in need of an 8th grade teacher for this year. Please consider helping to bring the faith to our young students. If interested, or if you have any questions, please call 724-448-3639 or email mfilotei@ollakes.org.

MANY THANKS

We would like to thank Joe Herman from Herman's Floor Maintenance for generously donating his time and materials to scrub the kitchen floor in the Activity Building at the Saint Victor Campus.

FROM FATHER KEVIN'S DESK

Dear brothers and sisters in Christ,

Greetings from Alaska. I hope last weekend with Father Maximas went smoothly. So far, my vacation is going well, and the weather has been exceptionally good for Alaska. Please keep me in your prayers; I am praying for all of you.

Before I left, I had to make an important decision for the parish that I inherited. Father Jim had told me that the parish had planned to merge the Religious Education/CCD programs but had declined to make that decision final before he left. Therefore, I wanted to meet with the staff and both Pastoral and Finance Councils before making that decision. Here is most of what I heard from them:

- The merge of CCD programs needs to happen and should have been merged some time ago.
- The CCD times at each church on Sunday are tied to the Mass times: TRC after 9 AM and STV before 11 AM.
- The programs should be merged to Transfiguration site because:
 - The school building is more secure and safe for students.
 - TRC building security was recently increased from grant money.
 - There is not enough classroom space at STV to have all grades at one time in one building. Grades 7 & 8 are on Monday night at STV.
- The two curriculums don't match with the same textbooks, but both follow the diocesan requirements for what needs to be learned in each grade.
- The parents of CCD students largely don't know about the potential merge (Apparently, it was mentioned once or twice in the bulletin, but little communication went out specifically to parents about a merge).
- The timing in late July to merge in September was not advised by most staff and council members, despite a strong desire to merge as soon as possible.
- There used to be a youth ministry program, but it has been difficult to get it re-started after the pandemic.
- The Council members acknowledged the difficulty of making this decision now with little time to communicate any possible change and resolved to support the parish decision going forward.

In listening to all this, I told the staff and Councils that I would pray about it for two days, consult the Diocese, and then decide before I left for Alaska. Diocesan personnel also advised that the parish not make a sudden change without a fuller communication to parents and the parish. I thought it would be important to listen to parents about this also but didn't have time to communicate a way to listen to them as a group quickly. Since a decision needed to be made promptly, I decided on the following:

- The parish will merge programs, but not until 2027. This fall is just too soon without parent involvement and awareness.
- We can work on aligning the textbooks and materials so that when the programs merge, it will be easier for most of the students and catechists.
- Some catechists will need to adjust some of their methods with a view to merging in 2027 for the sake of the students.
- The parish will move the Monday night Grade 7 & 8 CCD to Sunday night and try to begin to rebuild a Sunday night Youth Ministry program (Sunday night is the general standard throughout the Diocese with it being the most convenient time for most families of youth). Parents still have the option for Sunday morning grades 7 & 8 at TRC.
- The whole parish needs to be involved in the decision to merge, possibly considering Mass time changes to align with the united program to make it as easy as possible for parents to bring their children to weekend Masses.

I met with the two CCD directors to discuss a plan for this Fall and they have begun informing catechists and parents so that they can start the programs in September. I thank all the staff and Council members for their feedback and support of this decision and look forward to working with the parents and parish on merging the programs in 2027. In Christ's love,
Father Kevin
