Well, St. Catherine's has finally leapt into the 21st Century! Stop worrying about writing checks or carrying cash for your weekly or monthly donation. Instead, give a gift at any time (from any device that connects to the internet) using a current email and checking account/credit card. It's simple and 100% secure. You can even turn your tithe into an automatic gift that gives when and how often you'd like with your own online donor account. This also includes Special Collections, and more.

Just go to our website: stcatherinepr.com and click on the "Giving" drop down and click on "St. Catherine Online."

There are two blue baskets at the back of the church with cards available for you to take as you enter. Please place one in the collection basket to indicate that you give online as a way to still participate in that act during Mass.
