Discernment Interview Information:

We have officially moved away from the set one-year or two-year programs we have been doing in the past. The timeline is now discernment based on whenever the person is ready to receive the Sacrament which could vary for each person. Discernment Interviews are meetings run by either the Pastor, or a person delegated by the Pastor, to meet with the families, parents and children pursuing one or more Sacraments. There is a document sent out by the Diocese of Pueblo as a basic rubric for the necessary topics we will go over like Mass attendance, prayer, completing the material for formation, valid Baptismal Certificate, etc. This is a chance for us to meet and get to know each family better. In order to set up the Discernment interviews, we will need to have the updated valid Baptismal certificate or brought to the office before or by the day of the discernment interview (please see more info on the document in this packet titled “Valid Baptismal Certificate Required”).

Discernment Interviews will be available August 3rd – Sept. 10th.

To set up a discernment interview please email cwertin@ihmgjt.org requesting a time and date.
