**Congratulations to Ellie Guerrero in Ms. Miller's First Grade. She has reader over 1,000 minutes. Great, job Ellie!**

## **#iGiveCatholic EARLY GIVING DAYS**

**#iGiveCatholic is on #GivingTuesday. We invite you to pray and discern what God wants to do through your gifts in your Catholic parish, school or ministry this #GivingTuesday. What is God putting on your heart? Where can you make a heartfelt impact? Are you giving to God the first fruits of our labor or your leftovers? Through our faith-filled responses, we unite with thousands across the nation, and the world, giving back, and Giving Catholic, as we help the multitudes, and watch the ordinary become extraordinary.**

**Early giving starts on November 18 and ends on November 28. #iGiveCatholic Giving Day is on #GivingTuesday November 29.**

**We are running a health competition among homerooms. The class that raises the most will win a Pizza Party. The family that raises the most will receive a homework pass for the students in the family. Please share these links with friends and family members, or let me know if you would like to create your own link (it will count towards your children's homeroom results).**
