### FREE ONLINE COURSES:

The Synod on Synodality has been inaugurated in October 2021 by Pope Francis and will culminate with the celebration of the XVI Ordinary General Assembly of the Synod of Bishops in October 2023. This event represents a new stage in ecclesial life that invites us to generate processes of conversion and reform in order to build a Synodal Church for this third millennium. The present intercontinental and intercultural project proposes to accompany formation of more than 100,000 people in the theology and practice of synodality through a series of free online courses to support all the people of God —bishops, priests, religious men and women, lay men and women—who have been called to this process of ecclesial renewal.
