

SUMMER WORK

(Incoming Third Grade)

Students will be required to complete work over the summer in reading. All materials will be a cumulative review from the year. Materials should be worked on throughout the course of the summer and returned on the first day of classes in September.

Reading:

Students for the incoming third grade will be required to read two books over the summer. For the chosen books, please fill out the Summer Reading Log and Book Report Form and return it to school on the first day of classes in September.

There is a reading log for additional books that are read by choice. Any books that are read by choice will need to be logged in the Summer Reading Log. Additional books do not have to be from the list provided. The reading log is optional, but you may return it to Miss Curriero in September for a special prize.
