

HANDS-ON STEM PROGRAM

Mad Science has made arrangements with **Academy of the Most Blessed Sacramento** to provide an **ALL NEW** after-school enrichment program starting in **October 2023**.

The club will meet one hour weekly, for 8 weeks. Classes are offered strictly on a first-come, first-served basis. **Please look at the days and dates carefully, as there are no makeup classes for individual absences. Makeup classes will only be scheduled for cancelled classes.**

Please note that you are to pick up your child from the designated door at the end of each session – children will not be released without parent/guardian.

Super Powered Science

for grades K-6

Mondays 3:00 PM to 4:00 PM

Class dates: October 16, 23, 30, November 6, 13, 20, 27, December 4

Cost: \$195/student/8 weeks

Explore Radical Robots and build a robotic hand and explore the wild side all about animals and underwater life! Mix up some super science fun all about energy and take apart crazy machines and build a catapult! Get connected and dive into communications while understanding how cell phones work and building your own wired world model! We will also mix up some awesome physical chemistry! Bubble, pop, and fizz while understanding how to separate reactions!

Registration is handled directly by Mad Science of Northeast NJ's ONLINE WEBSITE: Please log on to northeastnj.madscience.org and click on the "Parents" tab to register for the After School Program!
