SUMMER READING

(Incoming Third Grade)

Students will be required to complete work over the summer in reading and math. All material is a cumulative review from the year. Material should be worked on throughout the course of the summer and returned in September.

Reading:

Students for the incoming 3rd grade will be **required to read a total of two books** over the summer- one from each list. For each book, please fill out the Reading Response questions and return it to school in September.

There is a Reading Log for any additional books that are read by choice. Reading response questions are not assigned for additional books. Books do not have to be from the list below. The reading log is optional, but if is completed, return it to your teacher in September for a prize!
