28 St. Francis; Letter C, Johnny Appleseed, Leaf Rubbings, Fire Safety	29 Pizza Monday	30				

Welcome to a new school year! This month we will be learning a little about each of our classroom friends as we catch up on our familiar friends and enjoy finding new friends. We will also be reviewing some classroom rules to keep us safe. Our author this month will be Audrey Penn as we learn about love which is our first Fruit of the Spirit (FOS). Remember to bring in your favorite book the second day of school (9/8) so we can see what wonderful authors you like as there are so many. Autumn will go hand in hand with apples as we will learn about the life cycle of the apple tree. Watch for our sound bucket! This will be rotated among the children so they can look for things in their home that use the sound of the letter we are studying in class. Also, please refer to the "Academics", "PreK-4" tab on the school website (ambs.org) for this calendar and any new information as we progress through the month and year.
