MISSION STATEMENT

"We, the community of St. Gregory Barbarigo, are called forth in Baptism to follow the mission of Jesus to teach, to love, and to serve."

This weekend there will be a missionary here to celebrate Mass and speak to us: Fr. Carlos Ferrero, IVE (Institute of the Divine Word). Instead of the scheduled second collection for Latin America Missions, **we will take up a collection for missions of Fr. Ferrero's order (IVE) this weekend.** We will take up the Latin America Mission collection next week – though you can put your envelope for the Latin America Mission collection in if it is identified and we will take care of it. Please welcome Fr. Ferrero.

The new schedule moving Mass from 10:30 Mass to 11 AM has gotten off to a good start. As a reminder, the purpose was primarily **to allow us time to move Wednesday evening religious education to Sunday morning.** Initially that has been a success. Last year the number of middle school youth coming to EPIC rarely exceeded twenty, and over fifty have signed up, hopefully with more to come. Last year the number of children taking CGS was about seven, and twenty-five came last week. Last year we had trouble getting anyone to come for the high school group, and nine students came last Sunday. Please pray that this continues and grows. Only time will tell, but it is off to a great start. I want to thank you for supporting our programs, and also for your patience in adjusting to the new schedule in Mass times and the inconveniences it has caused. I also want to thank Cathy Handlos for her zeal in getting the CGS program organized, Jenny Jordan for her work with EPIC, and Mike and Jaime Casteel for taking on the high school youth group. Please pray that we can form our youth well in our faith.

Naturally, it is our hope that all these youth and their families will come to Mass either before or after the religious education program. The Mass is the “source and summit” of the practice of our faith. We derive strength from the Mass to live our faith during the week, and we come back to Mass to offer the week's experiences to the Father and be renewed once again. It is a “Holy Rhythm,” which causes us to grow closer and closer to God through coming to Mass. As time goes on, we may even have programs during the youth programs for parents who would like to meet and learn more about our faith or discuss issues which they all face as parents. Thank you for your cooperation and patience.

At the writing of this letter, REBOOT! has not yet happened Wednesday night nor has an analysis of our space utilization by Martha Kauffman from the diocese (Friday). The latter is coming to assess our need for more space for CGS. Bishop Johnston has given the parish the OK to explore our need to create more space, and this is the next step. More on that in the future. It has been a full week!

It is a joy to be your pastor

Father Albert, O.S.B.

REBOOT Results

Thank you to the members of the Outreach Team, the school and parish staffs, and all of the parishioners that worked to make the REBOOT event a success. I am writing this article a few days before our event, not knowing exactly how it is going to go or be received. So how do I already know it was a success?

Of course, we are hoping for measurable results such as increased Mass attendance, small group participants, and volunteers. As a parish employee and the leader of our Stewardship and Evangelization Team, which used to be the Dynamic Catholic Implementation Team, for a couple of years now, I have been working toward those same goals. These teams have been trying to transform our parish culture to one of inclusivity and welcome where everyone who enters our church feels a sense of belonging and feels invited into a closer relationship with God. While strides have been made, we were looking for an event like REBOOT that would generate a lot of momentum.

When I discovered REBOOT on Real Life Catholic's (RLC) website, I wanted to bring it to the team as a possibility. The first thing RLC says is that your pastor must be on board for it to be successful. So I asked Father Albert if I could put it on our next meeting agenda. His response was, "Have you been talking to Jill [Gockel]?" She had brought up the possibility to him a few weeks prior. This started the collaboration to get Chris Stefanick here in the Fall of 2024, then miraculously, our date in 2023 opened up. In many ways the Holy Spirit was already at work.

Before we started the five month process to host, I thought the coaching that REBOOT provides would be mostly about marketing and selling tickets. Spoiler alert - it wasn't.

The first steps were to form a team and start praying. Praying for the event, the people who would attend, and asking for guidance. From there we learned about the power of invitation and then discipleship. We learned to be servants and to understand that the results we see from this event are not our results, they are His results. We learned to ask, not ourselves, but to ask Him to tell us what to do and even more importantly, who to invite.

I am sharing this because I want you to know that it wasn't an accident if you attended REBOOT. You were supposed to be there. Whatever brought you to the event, whether you saw it posted somewhere or received a personal invitation from a friend or relative, it was Jesus, wanting to be closer to you.

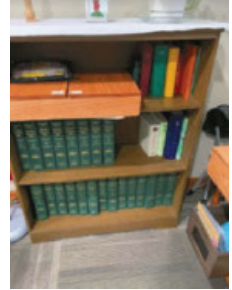

I hope you feel His desire for you, it is a great feeling. The Outreach Team is feeling it even before the event, that is how I know it was a success. While measurable results are good indicators, they aren't the goal. The goal is for all of us to know we are God's children and he loves us unconditionally. If we get that, everything else falls into place.

Thank you for sharing your gifts. – Chris Kuhlemeyer

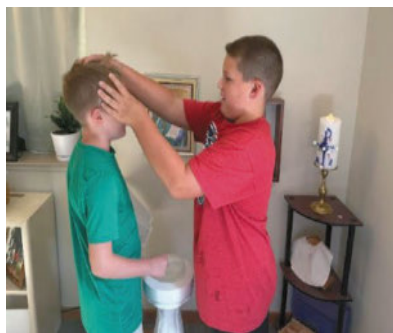

CGS Bright Spots

Here are some snapshots of the goings-on in the atrium! Cathy Handlos

Our Knights of Columbus donated \$500 for CGS to purchase 25 new Bibles for the Level 2 atrium. On Wednesday September 6, 2023 Fr. Karl Barmann blessed the Bibles at mass. The students' faces upon seeing them in the atrium were priceless! They are so excited to explore the most IMPORTANT BOOK in the world! Hadlee Mayfield and Emmaline Dropinkski are working with the Bibles on the left and Chloe Carlson and Ellie Phipps on the right.

Here the Pre-4 children are hard at work showing John Henry, Walter Fillingane, and Easton Wilmes. In the center, Layton Stoll and Kash Townsend work on the presentation of baptism. On the right, third grade students are engaged in work on the Bible and the books of the Holy Bible.

On the left, Mrs. Starke is providing third graders the presentation of, "The Books of the Holy Bible". On the right, Fayeley Stoll (Pre 4) explores the materials for setting up the altar.

HEY!
