Principal for A Day Aaron Guerra

Aaron started the school day by calling all students to attention for morning prayer and pledge. After prayers, Aaron visited classrooms and declared “no homework” for many students today. Aaron enjoyed lunch with Mr. Meyer and Mrs. Buhrman and some of his friends, and he treated his homeroom with ice cream after lunch. This special day was one of the items in PTC’s recent “Mini Auction”. According to our second graders, Aaron is the best principal ever at St. Luke! We are most grateful to Aaron’s parents for their generosity.

Urgent Notice FACTS TUITION

The following notice only applies to families who have not set up their FACTS tuition account:

The deadline for families to establish their FACTS tuition account is fast approaching. This is especially important for those families who selected the 12 month payment plan for the 2017-2018 school year. **If you do not log in to FACTS and set up your account by Monday, May 22, the 12 month payment plan will no longer be an option.** Please click on the logo below and enroll in FACTS now!

If you have been notified that you will be receiving tuition assistance from Hope for the Future (2017-2018 school year), you must accept the award in FACTS before the school can apply the award to your tuition account.

Siblings Attending Kinder Promotion

Siblings of Kindergartners may attend Kinder promotion provided that a note from a parent has been sent to the homeroom teacher in advance. Siblings will be called to the office at 1:20pm, and will be escorted to the church to join their families. Any other student who wishes to attend must be signed out by *their own parent*.

High School Placement Test 2017

Students entering 8th (2017-2018 school year) grade are encouraged to purchase Master the Catholic High School Entrance Exams 2018 (Peterson's, ISBN-13: 978-0768941546) It includes a variety of tests to prepare for the high school placement exam; this exam will be administered in December 2017, at the area Catholic high schools. It is highly recommended that every student taking this exam purchase this practice book. More information will follow at the beginning of the new school year regarding our middle school teachers' availability to assist students in preparing for the test.

From the Nurse:

Parents and guardians,

We are seeing several different illnesses at the school including, but not limited to Influenza and strep throat. Please keep children home if they are experiencing any symptoms. Children should be fever free for 24 hours without medication before returning to school. We are taking the necessary steps and precautions to help prevent the spread of germs including proper sanitizing methods and hand hygiene. Help us end the year on a healthy note by taking sick children to the doctor when needed and keeping sick children home.

The last day to pick up medication is June 2, until 12:30pm. Children are not allowed to pick up their own medication. Any medication remaining after June 2 will be appropriately discarded, including but not limited to: spacers, over the counter medications, and cough drops.

Lost and Found

Please be sure to check the Lost and Found located outside of the Health Room. All items remaining at the end of the school year will be donated or discarded.

Please stop by the school office for smaller items such as glasses and jewelry.

Recycling/Fundraiser

Think of all the kids that eat cereal for breakfast or a snack on a daily basis: all they need to do is bring in their empty cereal bags or cereal box liners. They will be weighed and recycled. In return the school gets the money!

Our thanks to Mrs. Charisma Villarreal for coordinating this program for the school.

Mrs. Morales (1B) class won the sweet treat party for collecting the most Box Tops for the spring semester. Please send in any last Box Tops that you may have before the summer break so we may turn them in and get credit for them before they expire. Thank you for clipping Box Tops. They really add up!
