

St. Luke Catholic School

August 1, 2017

Dear Parents/Guardians of St. Luke Catholic School Students:

It is with great pleasure that I am writing this Inaugural Letter to the parents/guardians of **St. Luke Catholic School** students. It is a great honor to be named Principal of this great school *founded by the Brigidine Sisters in 1959, St. Luke serves students in grades PK-4 through 8 from throughout the greater San Antonio area. Our mission is to educate our students to excel in high school and in life and to inspire our students to live as faith-filled Catholics. (St. Luke website-Mission)*

As I embark on this new adventure, I look forward to meeting you. Together we can continue to make St. Luke Catholic School a place where:

- there is a Christian belief that each child is created in God's image and redeemed in Christ
- has a transitory destiny on earth and an eternal destiny with God in heaven
- where all children can expand on their Christian and Academic goals
- where there are high expectations for all students
- where the administration is seen as faithful servants of God to help spread the good news as well as be the instructional leaders on campus.
- where all children can expand on their Christian and Academic goals
- where there continues to be high Parental and Community involvement
- where students have a well-balanced curriculum in the religious teachings, as well as in the academics, technology, arts and athletics.

Hence, the school proposes to complement the home, church, and state in giving dignity, direction and motivation to all phases of the students' lives, and to prepare them spiritually, intellectually, psychologically, socially, physically, and morally to take their places in American contemporary society as mature Christians. (from our St. Luke website)

A place where children learn to love God and love learning!

I look forward to meeting each one of you soon. I would like to Thank Father Barlow, Father Moreno and the committee for their support and faith in my serving God and the Community. Please remember you can always check the St. Luke website for more information visit www.stlukecatholic.org

Thank you in advance for your support! Peace and Joy be with all of you!
