

8th Grade Graduation Ads

¼ Page = \$50

*****No more than 2 ads per student*****

If you are interested in purchasing a graduation ad for your child(ren), please submit your message as you would like it to read and the picture(s) you want to include (There is a 2 – picture limit per ad). We will create the ad. All pictures must be submitted in a digital format as we have moved to an inclusive online yearbook program. Jpeg files please, no PDF's.

You may do this one of two ways:

- 1- Send a flash drive to school with the picture/s to be used ready to download. Please make sure that the picture/s to be used is clearly marked for the ad. Send the message to be added on a separate piece of paper.
- or
- 2- Call and make an appointment in the Library 434-2011 x 121. You may download the pictures and create a file yourself. Be sure to leave a copy of your ad message.

PLEASE DO NOT SEND EMAIL!

Send the correct amount of payment to school with your child. Ads will not be created until payment, message, & picture from all those purchasing an ad have been received. All items sent to the school should be in a sealed envelope and sent **to the Library**. We will accept cash or checks made payable to St. Luke School. If you choose style 1 please note that we may hold on to the Flash Drive in the Library for an extended period of time. In order to publish our yearbook on time, we ask that ALL ads be turned in (or appointments made) and paid for by the date listed below.

Remember, if there are too many words, the pictures may get smaller.
