

2025-2026 UNIFORM CODE

It is the responsibility of the principal, with consultation from the pastor, parent community, faculty, and staff, to determine the uniform code for the school. The final authority on all school uniform and dress code policies rests with the principal. Through the cooperation of students, parents, and staff, the dress code is upheld.

The purpose of the uniform code is to:

1. Provide a standard of behavior regarding modesty, neatness, cleanliness, and appropriateness
2. Limit distractions, minimize classism, foster discipline, and build community
3. Promote a climate consistent with the school's mission and SLEs

Tommy Hilfiger (www.globalschoolwear.com/school/CHRI07, school code CHR107), and Lands' End (landsend.com/900038456) carry the Christ the King Parish School uniform. Once you are on the store website, be sure to select our school in order to access our logo and approved uniform items. It is possible to purchase some uniform items through other retail stores. If you are in doubt that your purchase meets the uniform code, please bring it in before removing the price tags—we will let you know.
