About St. Joseph Church

In 1890, a combination school and church were built on the property southwest of Seventh and Chestnut. The parish grew, and the current church was built on the northwest corner of Seventh and Chestnut in 1922-23. At that time a convent was built behind the school to house the Sisters of the Order of Saint Dominic.

Some Thoughts from Fr. Brad

I want to thank everyone for the prayers you have offered for me. The surgery on my lung was successful and I am breathing normally. I am grateful, too, for the many cards I have received. Thank you.

It will still take some time for my body to fully recover. I am praying for patience to that end. Especially because patience is not a virtue of mine. With God's grace I hope to be fully healed and recovered in time to celebrate Holy Week liturgies.

The staff at Mt. Hope Cemetery would like to extend a thank you to everyone for their continued effort to follow the rules to ensure the cemetery remains as beautiful as it can be. On that note, we just wanted to put out this friendly reminder that the deadline to remove all winter decorations is **April 1st**.

Thank you again for your continued support and cooperation!

Thank You!

The members of Knights of Columbus Council 521 would like to extend their sincere thanks to all those who helped make this year's Desert Meal a huge success. We also would like to thank all of the clergy who attended and spoke of their own formation experience.

Thank you to all of our generous benefactors who, as usual, provided the means for the seminarians to be able to experience this wonderful pilgrimage to the Holy Land. Hopefully, everyone enjoyed their Italian meal. May God continue to Bless you.

Yours in Christ,
Steve
