LOST & FOUND

There is a **Lost & Found** box near the main doors (Door #3) of the church. Please place items there that have been left anywhere in the main body of the church or found on the property close to the entrances of the church. Please do not leave items in the Sacristy or hand them to the sacristan. The contents of the box will be checked weekly; and after a period of time, any usable items will be donated to St. Vincent de Paul. The internal smaller box is for jewelry. We will do our best to determine the value of the jewelry and to find the owner. Hopefully, with all lost items stored in one container instead of spread out through the church, the LOST shall be FOUND. **Thank You!**

Some Thoughts from Fr. Brad

I hope you will stop by today (Sunday, September 10th) at St. Joe's and celebrate the 100th anniversary of the building's presence and service in the community. Have a hot dog or a burger and visit with others and take time to peruse the fine features of the church. The gathering will take place from noon to 2:30 p.m.

I will be away next week, from the 18th – 22nd, attending the Archdiocese of Detroit Priest Convocation at Boyne Mountain. It is an event scheduled every two years. It is an opportunity for us priests to come together for enrichment, fellowship, and prayer.

There will be no weekday Masses celebrated during my absence. Nor will there be Adoration of the Blessed Sacrament and confessions that Wednesday. Fr. Zbig, at St. Mary's, will be unable to attend the convocation, so you can attend weekday Masses there during that week. I plan to be back at the parish on the night of the 22nd.

The Eucharistic Miracles of the World exhibition will be on display at our parish from September 20th through 24th. The Vatican exhibit will be displayed in the gym of our St. Stephen church site. The Holy Eucharist is a central component of our Catholic faith. Still, many Catholics do not fully understand this wonderful sacrament. Take time to attend the exhibit and learn more about the Blessed Sacrament. Deeper understanding of it will deepen your faith and enhance your participation in The Mass.

Many of you have been inquiring about the status of my brother Brent. He had successful surgery in early July from which he has been recovering. He recently graduated from a soft food diet and is eating solid food, for which he is ecstatic! He is working with a physical therapist to strengthen his muscles, which atrophied a great deal during the past year. He is making slow but steady progress.

It will be some time before he is fully recovered. He, and I, are grateful for your supportive prayers and ask that you keep them going during his continued recovery.

Have a blessed week.

Over the next few weeks, you will be hearing about the upcoming **"One God, One Faith, One Family"** Program at Holy Trinity Parish. This effort is very important as we move forward with the mission and vision of Holy Trinity Parish. We, as a parish family, have changed so many lives in our community! In order to continue our mission and ministries, we encourage all parishioners to spend time in prayer and discussion with your family reflecting on the work we do. Our special Commitment Weekend will be celebrated on September 30th & October 1st. If you have any questions regarding the "One God, One Faith, One Family" Program, please feel free to contact the parish office.

The Eucharistic Miracles of the World exhibition will be on display at Holy Trinity Parish from September 20th through the 24th in the school gym. Sponsored by The Mary Our Mother Foundation, this exhibit consists of an extensive collection of photographs and historical records representing 62 Eucharistic miracles recognized by the Church. The miracles have been meticulously documented throughout the world spanning over 1400 years and are presented on full color panels. Viewing times will be Wednesday thru Saturday 4:00 p.m. – 8:00 p.m. and Sunday 10:00 a.m. – 1:00 p.m.

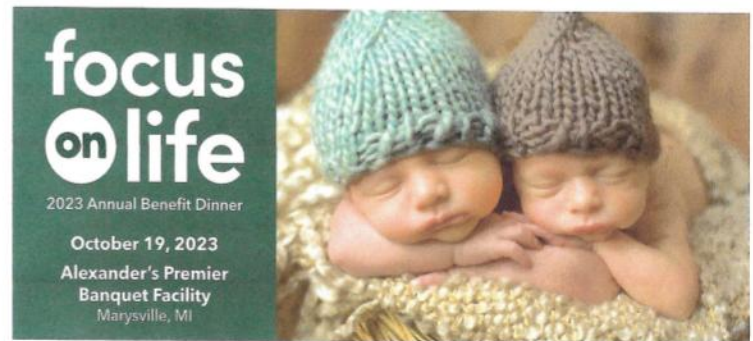

Volunteers Needed!

If you would like to promote the true presence of our Lord by helping with planning, set-up/clean-up, hospitality, or by being an exhibit guide, please call the Religious Education office to volunteer. All are welcome!

"Upon This Rock I Will Build My Church."

Originally budgeted for \$85,000, the final cost was \$112,000 (\$1,966,939 in 2023). Also at the same time, a new convent was built on Chestnut for \$15,000, where the parking lot is today. The parish had to take out a \$50,000 (\$878,098 in 2023) mortgage. Close to 100 Pewabic tiles were used on the façade of the church, for a cost of \$45. It would take some years for the parish to save up money to really decorate the interior. At the time of the dedication, the only stained glass were the rose windows and the five windows in the sanctuary. The altar from the original church was brought across the street and was in use until 1946. This altar was built by the founding pastor, Fr. Clement Krebs, using shipping crates. After painting the interior of the church with goldleaf and a faux marble in 1939, the parish ordered an Italian marble altar in 1940. Unfortunately, due to the outbreak of WWII, the altar sat in Italy until it could be delivered in 1946. This marble altar with a relic of a pelican feeding its young served the parish until 1969, when the church was redecorated. Also brought over from the original church, were the statues of Mary and St. Joseph. Sometime in the early 1980's, the statue of St. Joseph fell, and broke. New fiberglass statues were purchased to replace the originals. The original statue of Mary is currently in the South transept. The three original bells from 1890 were placed in North belltower. The statue of St. Anthony, also found in the South transept, has been in the church since 1923. When St. Joseph parish was founded in 1889, there was a large German population in that part of town; however, by the time the current church was built, there was a large number of Irish people living and attending St. Joseph's. To honor these two cultures, the parish placed statues of St. Boniface and St. Patrick in the sanctuary. Unfortunately, these statues have been lost with the test of time.

In gratitude,
Greg Pearson
