Anyone desiring to celebrate these sacraments is asked to complete this form and place this form in the Collection. **Please include a copy of your child's Baptism Certificate.**

Sacraments are encounters with Jesus. They are not "events". Sacraments make sense in the context of a faith that is practiced and central to that life of faith. Persons desiring to celebrate will be prepared through participation in preparation classes, home study and presence at Sunday celebrations. If a family has conflict with any of this, it would indicate that this is not the time for your child to celebrate the sacraments.
