Kindergarten Health Forms 2023-2024

Contents:

Important Information for Kindergarten
General Health Information
Health Screening Information

CHIRP Consent Form
Health Questionnaire Form
Physician Certificate of Examination Form
Dental Exam Form
Kindergarten MCT Vision Screening Form

Medication Policy and Consent Form*

**All forms are required and should be returned to the
school office no later than the first day of school.**

*The only exception is the medication consent and that should be returned only if medication
is required for school day use

Important Information for Kindergarten Entrance

Packet

This packet includes several important forms that you will need to complete and return to the school office before your kindergartener begins their first day of school. This includes the Health Questionnaire, CHIRP Consent, Physical Exam, Dental Exam, Vision Exam and a copy of your child's up to date immunizations.

About washing hands:

Now is the time to teach your child the importance of good hand washing. Keeping hands clean is one of the best ways to prevent the spread of infection and illness. Help your child stay healthy by teaching and encouraging good hand washing habits.

Regular sleep is very important:

Regular sleep habits are very important to the health and well- being of your child. A young child needs, on average, 10-12 hours of sleep a night. Establish a regular bedtime. Turn off the TV and videos and read a book before bed!

About Kindergarten Immunizations:

IC 20-34-4-2 requires that all students entering Kindergarten be fully immunized following the ACIP (Advisory Committee on Immunization Practices) and Indiana State Department of Health guidelines. These mandatory vaccinations include DTaP (5), IPV (4), Hepatitis B (3), MMR (2), Varicella (2) and Hepatitis A (2). These minimum doses must be met and they must have been given at the proper minimum age and have the proper intervals between each one to be acceptable for the state school requirements. A photocopied record of your child's immunizations from your child's physician must be provided to the school **BEFORE THE FIRST DAY OF SCHOOL** as proof of the vaccines having been given. Students who will not be receiving immunizations for religious reasons (IC 20-34-3-2), or those who have a medical contraindication (IC 20-34-3-3) to vaccine administration, must have the appropriate exemption forms filed annually with the school office (contact the school office to obtain the correct form).

It is important that you review your child's immunization records now and obtain these necessary immunizations from your child's physician, the Fort Wayne Allen County Department of Health, or any Super Shot location. Remember to provide the school with documentation of all shots received from infancy through the current date.

Vision: Required FREE vision MCT Exam for all kindergarteners:

IC 20-34-3-12 requires all kindergarten or first grade students to have an MCT vision exam done by either an optometrist or ophthalmologist.

We have chosen kindergarten to be done. **To take advantage of a FREE vision screening for your child, please check the back side of the "Kindergarten Vision Examination" form for a list of local optometrists who have agreed to provide this service at no cost for your kindergarten child for a limited time.**

If you prefer to use your own optometrist or ophthalmologist, please take this form to their office and have them completely fill out after your child's exam. Please understand that if you choose your own, you may have an additional cost to incur. It is important that your child be screened for any vision problems at an early age to detect and correct any abnormalities that may exist. Having an eye professional perform this exam is vital. **This exam needs to be done and submitted to the school office no later than the first day of school.**

Dental: Kindergarten students are required to have the "Dental Examination" form completed prior to their first day of school. But, we encourage all of our students to visit their dentist regularly as it is an important part of our general health and well-being. **The "Dental Exam" form is to be submitted to the school office no later than the first day of school**

General Health Information

Physicals/Health Questionnaire: All students new to our school are required to have a recent physical signed by their physician along with the "Health Questionnaire" form filled out by the parents/guardians. **These forms must be submitted to the school office no later than the first day of school.**

CHIRP: As required by IC 20-34-4-6, we report immunizations to the State Department of Health each year on all students in grades K, 1 and 6. This report is currently done online through CHIRP (Children and Hoosier Immunization Registry Program) and we will need a consent signed for each child in order to report this information to the state. **This form needs to be submitted to the school office no later than the first day of school.**

Immunizations: IC 20-34-4-2 requires that **ALL** students have the required immunizations **PRIOR** to, **and on file with, the school before the first day of school.**

These immunizations need to be given according to the ACIP (Advisory Committee on Immunization Practices) and the Indiana State Department of Health, this includes proper intervals between each required dose.

The only exception to this rule is a signed "Medical Exemption" form filled out by your child's physician (IC 20-34-3-3), or a "Religious Objection" form signed by the parents/legal guardians (IC 20-34-3-2) stating that it is against your family's religious beliefs. Please contact the nurse if you need either of these forms.

Unfortunately, if this is not completed by the first day of school, you will receive a letter excluding your child from school until the immunizations have been obtained and proper paperwork has been filed.

When your child is ill: Children with fever, diarrhea, vomiting or other symptoms of illness should stay at home, and, if indicated, be evaluated by the doctor for diagnosis and appropriate treatment. **Any fever of 99.9 degrees or above means that your child must stay home for at least 24 hours (free of fever and without the use of acetaminophen or ibuprofen).** This means that if your child was sent home from school the day before with a fever, they need to wait **at least 24 hours** before they will be admitted back to school.

Medications: We will only administer FDA approved over-the-counter (OTC) and prescription medications prescribed to your child (this does not include any herbal medications). These medications need to be brought to school by an adult in their original package and accompanied by the medication consent form found on our website or in the school office. Medication brought in to school will only be available during school hours. Our school policies are in accordance with IC 20-34-3-18. All medication will be kept in a locked cabinet with the nurse, or trained staff member dispensing according to the package instructions. Students are not to have medication with them at any time. The only exception to this is if your child needs emergency medication (ex. insulin, an inhaler or an epinephrine injection) and the proper paperwork is filled out and on file with the school. (Forms may be found in the school office.) If needed, this form requires a signature from your child's physician and is only for their **EMERGENCY** medication. These policies are in place to keep your child and others in the building as safe as they can be during the school day. A reminder that all cough drops are considered OTC medication and need to be kept in the school office for your child's use. Please read our full medication policy on the reverse side of the "Medication Consent" form.

Please understand that NO medication can be sent home with your child.

Health Screening Information

During the school year, the following health screenings will take place as part of the health services to your child, and fulfillment of the health screening laws of the State of Indiana. Some students will receive referral letters from the school nurse as the result of these screenings.

HEARING SCREENING

Hearing screenings will be conducted according to IC 20-34-3-14, on all students in grades **1-4-7, and 10** as mandated by the state. We will also check all students new to the school, and any others by special request. The school nurse, or trained volunteers, will conduct this screening. Re-checks will be done at least 2 weeks later on students who have questionable results and referral letters will be sent to those who do not meet the required thresholds on these rechecks. The school nurse will also notify the teachers of those students that referral letters are sent to.

PLEASE COMPLETE AND RETURN ALL REFERRAL FORMS TO THE ATTENTION OF THE SCHOOL NURSE.

VISION SCREENING

Both far and near vision screening will be conducted according to IC 20-31-3-12 for all students in grades **3-5-8**. We will also check all students by special request. The school nurse, or trained volunteers, will conduct this screening. This Indiana Law also requires that **either K or grade 1** be examined by an eye professional, so we have decided to send all of our kindergarten students for the FREE exam that local eye Dr's have offered to us. Re-checks will be done on students who have questionable results and referral letters will be sent to those who do not meet the minimum requirements on these rechecks. The school nurse will also notify the teachers of those students that referral letters are sent to.

PLEASE COMPLETE AND RETURN ALL REFERRAL FORMS TO THE ATTENTION OF THE SCHOOL NURSE.

Allen County Non Public School Association

CHIRP Consent Form

The Indiana State Department of Health maintains an electronic immunization registry entitled Children and Hoosiers Immunization Registry Program (CHIRP). CHIRP allows all health care providers within the state of Indiana to enter and view immunization data with this method of electronic documentation. CHIRP ensures that the most up-to-date record of immunizations is available to all health care providers. The Indiana Department of Education mandates that all schools within the state of Indiana utilize CHIRP to document annual immunization reports. We are required to submit these immunization reports to maintain our accreditation. We need your consent via this form to add your child to our school data. The Indiana Department of Education's attorney Dana Long, collaborating with the Indiana State Department of Health, has prepared the consent attached to this document.

I understand that the information in the registry may be used to verify that my child has received proper immunizations and to inform me or my child of my child's immunization status or that an immunization is due according to recommended immunization schedules.

I understand that my child's information may be available to the immunization data registry of another state, a healthcare provider or a provider's designee, a local health department, an elementary or secondary school, a child care center, the office of Medicaid policy and planning or a contractor of the office of Medicaid policy planning, a licensed child placing agency, and a college or university. I also understand that other entities may be added to this list through amendment to I.C. 16-38-5-3.

I hereby consent to the release of such information.

I, as a parent/legal guardian to the below stated child, give _____ School permission to release in addition to immunization data, the following information concerning my child to the the Indiana State Department of Health's Children and Hoosiers Immunization Registry Program (CHIRP):

Signature

Date

Printed Name of Parent(s)/Guardian(s)

Address

City, State and Zip Code

Printed Legal Name of Child

Birthdate of Child

Grade _____

PLEASE RETURN AT REGISTRATION OR BEFORE FIRST DAY OF SCHOOL

(revised ACNPSA 1/2023)

2023-2024 FREE Kindergarten MCT Vision Screening

The following Optometrists have volunteered to provide **FREE** kindergarten screenings in their offices. I encourage you all to take advantage of this rare FREE preventative health opportunity offered to families in the Allen County Non Public School Association (ACNPSA).

It is necessary to follow the guidelines below in order to ensure your free, professional vision screening.

1. Call one of the following offices and identify yourself and the non-public school your child will be attending.
2. **CALL for an appointment no later than JULY 1** and tell them that your appointment is for kindergarten screening.
3. Be sure to take this kindergarten vision screening report form with you for the optometrist to complete.

Dr. Thomas Baker 749-0407
1318 Minnich Rd. New Haven, IN

Dr. Steven Bennett 490-1060
1850 East Dupont Rd. Fort Wayne, IN

Dr. Aileen Heaston 489-3996
10301 Dawson's Creek Blvd. Suite A Ft. Wayne, IN

Hockemeyer Family Eyecare:
Dr. Troy Hockemeyer 493-1505
Dr. Andrew Hoffman
1010 Boulder Ridge Trail New Haven, IN

Dr. Thomas Zachman 432-1231
7625 W. Jefferson Blvd. Ft Wayne, IN

***We are most appreciative to the above optometrists for their services to the Allen County Non-Public Schools! At the time of your child's appointment, **PLEASE** give them a word of thanks for taking time out of their practice to give back to our community.
