Principal's Corner

SCHOOL HAPPENINGS

We are nearing the end of our first month of school. This has been the best start of a school year that I have ever experienced as principal. The students are doing great adjusting to our new schedule, which includes attending Mass four days a week for students that are in grades 2-8. I truly believe that we will enjoy the graces that the Lord will provide to our school by dedicating time during our day to spend with Him.

We have also had many physical changes to the school campus. The biggest change is the school walls. We took the opportunity over the summer to add some color to our walls and the transformation has been amazing. Secondly, we were blessed with the opportunity to replace many of the classroom desks in the building with new tables. This gives us the ability to provide many collaborative opportunities. The newest change that is coming late this week or possibly the beginning of next week is new lockers for our middle school. These lockers will stand 60" tall and will be full-length lockers for our students. The tables and the lockers would not have been possible without the use of grant funds that we were provided with.

In the coming weeks, once we have a solution for our aftercare program, you will begin to receive information about after-school clubs. Please keep an eye out for these opportunities. Many blessings and Mary, Queen of Angels, Pray for US!

Blue Ribbon Plant Show:

Thank you to those families who brought in potted plants, flowers, vegetables, etc. to this year's Blue Ribbon Plant Show. If your child's plant received a blue ribbon, he or she is invited to bring their entry to the City-Wide Blue Ribbon Show to be held on Saturday, September 9, 2023—along with the sheet you were given with your plant.

PLEASE NOTE: We are also in need of a chairperson to help with the Blue Ribbon Plant show and the spring distribution of plants. Please call the school office if you could help.

PowerSchool Parent Accounts

Parents are receiving a letter in the family folder this week explaining how to create a Parent PowerSchool account which would allow parents to track their children's academic progress (see their grades). If you have already created an account in previous years, you may go to the link provided and sign in with the username and password you set up in previous years. Please contact the school if you have any difficulty accessing your account.

Saints and Sweets (Wednesday, October 18)–

Would anyone like to help plan for this fun evening event?

Please contact: Bob Geyer at: Robertgeyer1980@gmail.com or call or text 260-402-6378.

Parent-Teacher Conferences–October 23. We will be providing our staff with a carry-in dinner during P/T Conferences.

Please be on the lookout for a sign-up genius to help us with bringing in food.

Have an event Idea you have seen work well at another church or school?
We would love to hear about it at our next meeting: Monday, October 16!!

Athletics:

- Fall sports pictures will be taken at the end of the school day, on Thursday, September 21 in the Activities Center.

***Athletes should bring their athletic uniforms to change into and parents will need to pick your student(s) up after pictures are completed (usually approximately 30-45 minutes)**

- Parents we need your help (as well as older students needing service hours): We need your help to work home game concessions and gate!
