

# THE ROYAL REVIEW

## Principal's Corner

JANUARY 10, 2024

A new year can always bring new beginnings. We are excited to begin 2024 with your children. I am happy to announce that we have five new students at our school and join me in praying that the acclimation process goes well.

Another new thing that has come about is the Monthly Morning Assembly. We had our first assembly this past Monday and I had the opportunity to share with the students some different incentives we will begin as well as review some of our school-wide procedures. The assembly time will be used to recognize students that have 95% attendance or better (95% = 1 Day Absent and 1 Day Tardy), Angel Awards (which will go back to monthly) and review any procedures that I feel we need to be reminded of or reviewed that month.

Our next assembly will be in February, where the students that have 95% or better attendance will be invited to an Ice Cream Sundae party at the end of the day. Please know that excused tardies will not go against the 95%, however, you must have a doctor's note or approved absence from Mr. Wiegmann. We do not want students coming to school if they are sick just to earn the incentive. It is important to get well and just try the next month to earn the incentive.

We are approaching Catholic Schools Week and we are very excited about all of the exciting activities that we have planned, including our Reverse Penny Challenge. More details will be coming out in the next week or so.

I pray that you have a blessed 2024 and hope that you take time to enjoy your family this weekend. May the Lord Bless and guide you, and may Mary, Queen of Angels, pray for US!

Sincerely

Mr. Wiegmann

'Tis the season for coughs and colds and our classrooms are running out of their beginning-of-the-year supply of tissues, paper towels, wipes, etc.

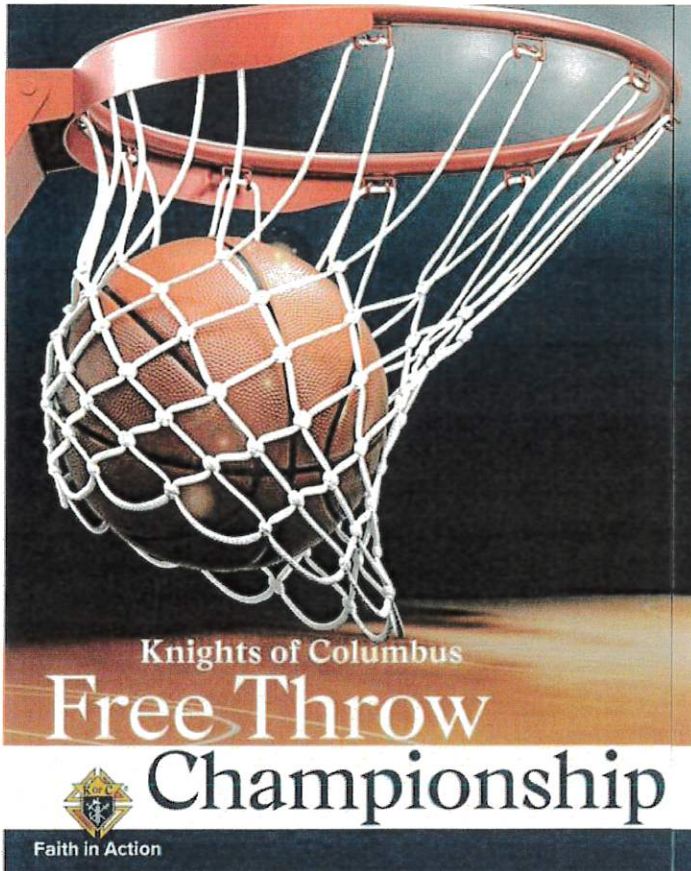

Please consider adding some of these supplies to your next grocery list and donating them to your child's teachers, school office, nurse, cafeteria, etc.

**SHOW THIS TO YOUR TAX PREPARER!**

Dear Queen of Angels Parishioners and School Families,

Providing a Catholic education is expensive for *many* of our families, which requires Queen of Angels to heavily depend on financial assistance to pay for tuition costs. One way that we are able to meet this need is by utilizing our diocesan SGO (Scholarship Granting Organization). Donating to the SGO is a terrific way to receive a large tax break while supporting our church and school.

When you make the prayerful decision to donate through the SGO, the state of Indiana provides you with a very generous tax break. Anyone who donates to the SGO is eligible for a **50% State of Indiana Tax Credit**. In addition, there is the potential for a Federal tax deduction for charitable contributions.

**Where does my donation go?**

Your donation to the SGO of Northeast Indiana designating **Queen of Angels Catholic School** as the recipient is used to help families with financial need in regard to tuition. Please note that Queen of Angels receives your entire contribution. For example, if you contribute \$1,000 to Queen of Angels, we receive the entire \$1,000 to give as tuition assistance, even though you still get \$500 back as a state tax credit.

**How is this possible?**

The State of Indiana has encoded this into law in order to encourage private investment in education.

**How do I donate?**

You can donate online at <https://app.sgonei.org/donations/new>. Our school's Principal, Dennis Wiegmann, and our Parish Business Manager, Desirée Hilger, are available to answer questions and can assist with the donation process. You can contact the school at 260-483-8214, or the Parish Office at 260-482-9411.

In order to receive your tax credit for 2023, please make your online donations before Christmas. Mailing your donation may cause it to arrive too late to be considered for 2023.

Prayerfully consider making a donation which greatly benefits our church and school.
