

THE ROYAL REVIEW

Principal's Corner

FEBRUARY 2, 2024

IT WAS A GREAT WEEK!

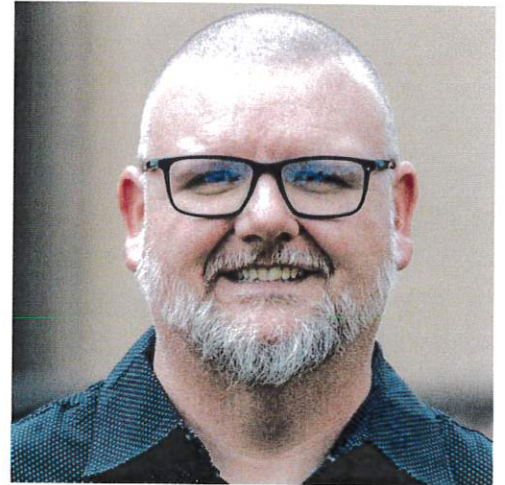

Thank you for all that participated in our Catholic Schools Week festivities. This, by far, had to be some of the most fun I have had over my five years here at Queen of Angels. Enough thanks cannot be given to the Catholic Schools Week committee, who worked tirelessly to ensure that we had fun activities and great themed days.

We appreciate all of you that were able to attend our showcase and open house on Wednesday, and have the opportunity to see many of the great things that are students are doing in our school.

This is a friendly reminder that registration for the 2024-2025 school year is now open. If you are a returning family you should have already had your registration snap code emailed to you. If you have any friends or family that would like to join our school next school year, please have them reach out to the school office and they can get them the new registration snap codes and any other important information.

Many thanks for giving us the opportunity to educate your children both academically and spiritually. I pray that you have an awesome weekend with your family and may Mary, Queen of Angels, pray for us all!

Mr. Wiegmann

Bishop Dwenger High School is pleased to offer many need-based scholarships, the majority of which are endowed through the generous donations of alumni, parents, and friends. The deadline for all scholarship applications is April 15; additionally, a family must complete the FACTS Grant & Aid Assessment.

If you have completed a Bishop Dwenger enrollment application for your student for the 2024-2025 school year, and he/she is interested in applying for a Bishop Dwenger scholarship, he/she must complete the following:

Students currently in grade 8 (incoming freshmen): please complete, on your own, the Incoming Student Scholarship Application and submit no later than April 15, 2024.

Parents: please complete the FACTS assessment form, as nearly all of the scholarships are based on financial need as well. This will need to be completed to submit an application.
