### LEADING THROUGH FAITH

As we continue to explore our newly adopted Core Values and Root Beliefs, we look this week at **"Leading Through Faith."** As a school we lead by showing Christ to each other, our families, and students. We strive always to follow the example Jesus and the saints have set before us.

More and more as I have interactions with students, parents, staff, and parishioners, I truly try to make that interaction Christ-centered. This is not an easy thing to accomplish and I know, as a human, I fail at this more often than I would like to admit. However, I believe that making this commitment to showing Christ to others, I can hold myself and everyone that is involved in the school accountable to lead through faith.

Our faith is paramount to who we are as Catholics. Jesus, in the Eucharist, is our source and summit. The readings and the Gospels share with us the interactions that Christ had with others and how he responded to all circumstances. I pray that we all remember what we have learned about Christ's love for others and his efforts to lead us all to live our lives as faithful servants.

Our days get hard and it can be a struggle to shine Christ's light on others, but I reflect on the struggles that Jesus went through as he was preparing for his passion. Our Lord gave his only Son, so that we may live. We are charged to go forth and bring Christ to others and to live a Christ-centered life. We will face challenges, but by giving ourselves to the Lord, we can move forward.

May our mother, Mary, wrap us in her arms and may the Lord continue to bless and watch over us! Mary, Queen of Angels, Pray for US!
