

Pentecost Sunday year C 2025

Dear beloved Parishioners,

As we conclude the Easter Season with the celebration of the Feast of Pentecost, Msgr. Mike and I would like to express our heartfelt gratitude to you all for your great response towards BAA 2025.

The 2025 Bishop's Annual Appeal was themed, "Pilgrims of Hope: Making an Impact Together." Thank you for responding to the call to action and reflecting the light of Christ in the love and good works that we offer others.

As we highlighted during the BAA 2025 campaign, whatever amount we receive over and above our goal will be used to improve our Parish Activity Center. There is significant progress already.

Have you noticed? If not, we would like to bring to your attention the ongoing improvements courtesy of your generous support towards the BAA 2025. New trees have been planted by the property line near the high school and fresh landscaping has been completed around the entire perimeter of the Parish Activity Center (PAC). After many years, the exterior of the PAC received much-needed, fresh coats of paint. We are looking forward to installing new windows at the PAC this coming fall, which hopefully will help us cut down on the electricity bill.

The PAC now also displays welcoming signage which includes the Parish motto crest. May seeing the displayed motto serve as a reminder of our calling here at St. Ambrose. Truly, **"Love Grows Where People Serve"** is wisdom applied in action in St. Ambrose Parish.

Thanks be to God. And congratulations to all of us as we celebrate our achievement as a Parish family.

In Christ,

Fr. Albert and Msgr. Mike
