Fr. Hiếu's Message

God invites us

We are now back to the Ordinary Time. We often think--what is it that I have to do in order for me to be more holy and closer to God...? Well, if you have noticed, God invites us to, God calls us to be with God to carry out our "mission." That is to say our purpose.

What is our mission/purpose, when we don't even recognize God's voice? Like Samuel , in the First Readìng. We often confused and ignorance. However with time, we can certainly change. Just like Samuel, at first, he didn't even recognize what God wants from him, but later on, he was the one that came and anointed David to be a King of Israel.

Perhaps, we are too called to be someone important in life; though, we often forget our vocation/ calling. Listen to the voice of God in your life, discern God's voice and you will know what God would wants you to do.

God bless,
Fr. Hiếu Trần

Dios nos invita

Ahora estamos de vuelta al Tiempo Ordinario. A menudo pensamos: ¿qué es lo que tengo que hacer para ser más santo y estar más cerca de Dios...? Bueno, si te has dado cuenta, Dios nos invita, nos llama a estar con el para llevar a cabo nuestra "misión". Es decir nuestro propósito.

¿Cuál es nuestra misión / propósito, cuando ni siquiera reconocemos la voz de Dios? Como Samuel, en la primera lectura. A menudo confundimos e ignoramos. Sin embargo, con el tiempo, ciertamente podemos cambiar. Al igual que Samuel, al principio, ni siquiera reconoció lo que Dios quiere de él, pero más tarde, él fue el que vino y ungió a David para ser un Rey de Israel.

Quizás, también estamos llamados a ser alguien importante en la vida; sin embargo, a menudo olvidamos nuestra vocación. Escuche la voz de Dios en tu vida, discierna la voz de Dios y sabrás lo que Dios quiere que hagas.

Dios los bendiga,
P. Hiếu Trần

Youth Ministry

Welcome to the Confirming Disciples Confirmation process. At Sacred Heart, we strive to provide you and your child with a welcoming, quality program. As a quote from David Calavitta states: "Ministry should always be quality over quantity. A few warm hearts fill a room better than a ton of cold bodies. Souls, not certificates". Following this as our guide, we look forward to sharing our faith together and serving your family.

Due to COVID-19 our program has changed a bit in order for us to accommodate to your teens as well as the parents. We are praying and hoping that we all can get through this pandemic safe and healthy together!

Catholic School Week January 31 - February 6

We are accepting applications for the 2020-2021 school year if you have any question please call the school office at 661-948-3613 and leave a message or send a e-mail at dschatz@shsav.org or the school secretary at adelacruz@shsav.org

One of the crucial things we do in a Catholic school is to help develop our student's capacity for excellence in their spirituality, academics, social skills, and emotions. All of these moments happen when we call them toward their best effort, goodness, and what leads them to grow into wonderful people. Catholics schools lead all other educational school programs by having the best prepared students entering high schools and colleges. Please consider your child receiving a Catholic education and contact the school for a tour.

Box tops, Sacred Heart School is collecting Box Tops for education from General-Mills, if you would like to donate box Tops, bring them to the school office, Thank you.

TREASURES FROM OUR TRADITION

The symbols and actions of baptism evolved around the experience of adults dying to old patterns of life and rising from the waters of baptism as new creations. As for newborn babies, at first it was desired to wait until the following Easter, when they could be baptized, anointed with chrism, and given a taste of the Eucharist in association with adults. The Church was always willing to baptize adults in emergency situations outside the Easter timetable, and in time, since infancy itself was a life-threatening situation, the baptism of babies became commonplace. As with the "emergency" adult baptisms, it was required that parents bring the child, as soon as health was recovered, to the bishop for the full menu of sacraments.

The very real fear of death for infants thus created a situation in which the three sacraments drifted apart from each other, and away from their original, adult celebration at Easter. Today, at last, we know a great deal about how our practices evolved. This knowledge is reshaping how we celebrate Easter, how we receive adult faith, and how we structure the faith journey of children.

Protecting God's Children - Protegiendo a los niños de Dios

Did you know? Building a strong parent-teen relationship

As pandemic lockdowns continue, parents and teenage children are spending more and more time together. It is not always easy to connect with teens, because they often feel their parents do not understand them and prefer to confide in their friends instead. Nevertheless, the time at home offers an opportunity for parent-teen relationships to evolve and for trust to grow in developmentally appropriate ways. Teens need the guidance and support of a parent as an important balance to the permissive understanding of a "friendship" relationship. As children become teenagers, parental authority does not diminish but may be better served by involving the teens in a dialogue about rules and limits. For more information on building relationships with your teenagers, visit https://lacatholics.org/did-you-know/.

Construir una relación sólida entre padres e hijos adolescentes

A medida que continúan los cierres por la pandemia, los padres y los hijos adolescentes pasan cada vez más tiempo juntos. No siempre es fácil conectarse con los adolescentes, porque a menudo sienten que sus padres no los entienden y prefieren confiar en sus amigos. Sin embargo, el tiempo en casa ofrece una oportunidad para que las relaciones entre padres e hijos adolescentes evolucionen y para que la confianza crezca de manera apropiada para el desarrollo de los jóvenes. Los adolescentes necesitan la guía y el apoyo de un padre de familia, como un equilibrio importante para la comprensión permisiva de una relación de "amistad". A medida que los niños se convierten en adolescentes, la autoridad de los padres no disminuye, pero puede ser más útil involucrar a los adolescentes en un diálogo sobre reglas y límites. Para obtener más información sobre cómo establecer relaciones con sus adolescentes, visite https://lacatholics.org/did-you-know/.
