COVID-19 Protocols

As of August 31, 2023

1. COVID-19 Positive Student – A student who tests positive for COVID-19 will have a FIVE (5) day quarantine. The date that symptoms begin is considered Day 0. **Beginning with Day 6, the student may return without further testing as long as he or she has been symptom-free for 24 hours.**

2. COVID-19 Positive Household Member – A student whose household member tests positive should be monitored for signs of COVID-19 infection. Unless the student shows symptoms of illness, there is NO quarantine period. **The student must remain symptom-free during this time period.**

In all cases, please promptly submit the absence form on which you will indicate the COVID-19 status.

Remote Instruction Policy

Remote instruction is no longer offered under normal circumstances. Any special situation will be reviewed by Dr. Briggs, in consultation with the teachers. Medical reasons that would result in an absence of three (3) days or longer will qualify for having school work sent home ahead of time **when possible**. Possible examples include influenza, chicken pox, major surgery, COVID-19, etc. **School work will NEVER be sent home ahead of time for trips or other non-medical reasons.**

COVID-19 Vaccination Policy

As stated in the St. Gregory the Great Academy Family Handbook, the Academy complies with N.J.A.C. 8:57-4, Minimum Requirements for Immunization of Pupils in School. The COVID-19 vaccine is NOT a New Jersey mandatory vaccine.
