**Respect for Life is More than Protecting the Unborn**

We are working hard to dispel one of the misconceptions people have about respecting life – that it only applies to the unborn. Certainly, much of our work is devoted to protecting the most innocent lives from abortion, but our respect for life doesn't – it can't! – stop with them.

Consider the respect life dimension in other areas of our society: human trafficking, immigration, welfare, prisons, homelessness, abuse, addiction, pornography, bullying, video games, music and the television industry. Our culture glamorizes violence, and it doesn't hesitate to treat people as objects. All this occurs within a context that selfishly asks, "What's in it for me?"

**Lack of Respect for Others**

Little by little, society has allowed the lack of respect for one another to become "normal" in our culture. We might say, "It's not a big deal," when children don't learn "please" and "thank you," or when children express "attitude" to adults and those in authority, or when foul language is considered part of the vernacular. Each time we have taken the "It's no big deal" stance, we, as a society, have become more desensitized to respecting others.

**Light in the Darkness**

Even though it seems like our culture is dark and gloomy, there is a light in the darkness and that light is God. No amount of darkness can overcome this light and love. We need to pray for one another and to ask God how you and I can rebuild a culture of life in our society. God is the author of all life – from beginning to end. Each and every person is made in the image and likeness of God; each and every person deserves respect. Let us stand together as sons and daughters of God and shine His light every day in all we do for His honor and glory.

## Gospel Meditation

### Encourage Deeper Understanding of Scripture

I confess that I have a soft spot for the scary things Jesus says because they are usually ignored. But there's gold in them thar hills, if we have courage to look. This week Jesus gives us a terrifying warning in his parable about the king who gives a marriage feast for his son and promptly goes berserk when people don't respond. The point: those who do not properly respond to God's generous invitation will face totally devastating consequences. The invitees who don't show up get their city burned to the ground. The poor homeless man is tortured for not wearing the correct clothes. Scary indeed.

Is Jesus trying to intimidate or bully us into following him? No, because that is certainly not how he treats anyone in the Gospels. A better view is this: to Jesus, your life *matters*. The universe is not an empty wasteland where anything goes. It is a theater of love offered and either accepted or rejected. How easy it can be to glide through life thinking my life doesn't make a difference. But it does. It really does.

This should not only be sobering but exhilarating. The positive side of the negative in Jesus' scary parables is the thrill and joy that he is inviting us, therefore our lives matter a great deal. There *is* a reason to get up in the morning. God's generous love is relentlessly calling us. True, obstinately saying no through our indifference is a catastrophe for us and those around us. But how wonderful must the consequences of our 'yes' be?

## Ven. Patrick Peyton

### Short Bio — Great for social media or in your bulletin

Venerable Father Patrick Peyton, C.S.C. was an Irish immigrant to the United States. A true pioneer of mass media evangelism, *The Rosary Priest* reached the entire world with his message of devotion to Christ reminding us that, "A family that prays together stays together."

### Biography

Venerable Fr. Patrick Peyton was born in Ireland near the Ox Mountains on January 9, 1909, to a devout Catholic family with nine children who prayed the rosary together every single day. Despite his early interest in a priestly vocation, Patrick's rebellious side prevailed and he dropped out of school at an early age, shifting his focus to working on his family's farm. He worked hard on the farm during his youth and teenage years until two of his sisters, who had already immigrated to the states, sent for him and his older brother, Thomas, to join them. The young men immigrated to Scranton, Pennsylvania in 1928 when Patrick was 19 years old. They moved in with their sister Beatrice and her husband.

Originally hoping to embody the American dream and find a job to bring him and his family wealth, Patrick eventually landed as the sexton, or as he referred to the job — "a janitor" — in St. Peter's Cathedral under the guidance of Monsignor Paul Kelly. This job, which had Patrick in the Cathedral and among other religious daily, reignited Patrick's interest in a vocation. As he was lacking his high school education, Monsignor Kelly instructed him to pursue his education first and then investigate joining a novitiate. Soon after this directive, both Patrick and his brother entered the Congregation of Holy Cross in Notre Dame where they finished their high school education and went on to study at the Catholic University of America in Washington, D.C.

During his second year at the university, Patrick was diagnosed with tuberculosis and had to leave school to be transferred back to Notre Dame for more intense long-term care. During his time in their infirmary, he dedicated himself to constant prayer, seeking the help and intercession of Mary, Mother of God. It was this devotion to Mary that he credits for the miraculous healing of the disease. His lungs eventually cleared and healed completely so he returned to the university to finish his studies and take his vows as soon as he could. He was ordained on June 15, 1941, at the Basilica of the Sacred Heart at the University of Notre Dame, along with his brother Thomas, as priests of the Congregation of Holy Cross.

## Ven. Patrick Peyton Continued.

For his first priestly assignment he was sent to Albany, New York, as a chaplain of the Holy Cross Brothers of the Vincentian Institute. While there, Peyton began the Crusade for Family Prayer. He wrote letters to bishops, Catholic laity leaders, and other Catholic groups promoting the importance of praying the rosary together. Due to his life-long dedication to the Holy Mother and the rosary, he became known as "The Rosary Priest." He coined the now popular phrases — "*The family that prays together stays together*" as well as "*A world at prayer is a world at peace.*"

Father Patrick's hope was to inspire 10 million Americans to pray the rosary together in their homes — a goal he would eventually meet and exceed many times over. As his efforts were being made during a time when the world was at war and anxiety was high among American families, he continually preached that prayer would lead to peace and safety saying, "The rosary is the offensive weapon that will destroy Communism — the great evil that seeks to destroy the faith."

His efforts with the Rosary Crusades were duplicated around the world and promoted in countries from Brussels to Brazil! As post World War II peace felt continually threatened by the Cold War, the Holy See recognized Patrick's efforts and spread his message even further across the world. In 1947, Father Patrick founded Family Theater Productions, which still exists today, and made himself a major pioneer of mass-media evangelism often rubbing elbows with celebrities, artists, and famous leaders. This mastery of media caused his Rosary Crusade to attract millions of people as he traveled around the world with his message of peaceful prayer. In fact, anyone on the planet who has access to the internet can still participate in a daily recording of the rosary that is livestreamed by an organization called Family Rosary. Founded by Fr. Patrick, Family Rosary livestreams a Mass and rosary on the Family Rosary Facebook page every single day to over 1,325,000 followers!

Father Patrick Peyton died peacefully in 1992 at age 83 while holding a rosary in his hands. Pope Francis declared that Father Patrick Peyton lived a life of heroic virtue on December 18, 2017, and gave him the title of venerable.

We make the blankets with donated materials. The only material purchase is the batting. This fund raiser will provide funds to purchase the batting. As of today, we have distributed over 2000 blankets to the needy. Thank you for your support.

Alice Sandoval, Queen of Angels Blanket Ministry.

#### Safeguard The Children

##### Did You Know?

##### Understanding the VIRTUS® “Protecting God’s Children” program

Child sexual abusers often target nurturing, child-friendly environments, where parents and participants assume that no one would ever want to harm a child. The Archdiocese

of Los Angeles began implementing the VIRTUS® Protecting God’s Children sexual abuse prevention program in 2004

to send a message to potential predators that child sexual abuse is not tolerated. Through this program, adults learn that through early identification, awareness, and education they can be “proactive” in protecting children and young people from child sexual abuse. Since the program began, more than 405,000 adults have been trained in abuse prevention. Additionally, more than 165,000 Catholic school and religious education students are trained annually with an age-appropriate curriculum on boundary awareness and how to communicate if violations of those safe boundaries occur. For more information, visit <https://lacatholics.org/education-and-training/>.

The Archdiocese of Los Angeles is committed to ensuring that parishes, schools and ministries are safe places for everyone in our community. ##### Revisión de seguridad en línea para el nuevo año

Tómese un tiempo este mes para revisar la seguridad en línea de su familia. Asegúrese de tener contraseñas seguras y de que la configuración de seguridad esté actualizada. Compruebe también dónde tiene las contraseñas almacenadas. Los niños que son expertos en tecnología pueden acceder fácilmente a materiales inapropiados en televisores inteligentes y dispositivos donde no es necesario ingresar contraseñas. Considere instalar software de responsabilidad en cualquier dispositivo al que accedan sus hijos. El software como Covenant Eyes u otras opciones pueden evitar que su hijo visite sitios inapropiados o prohibidos. ## OCTOBER IS THE MONTH OF THE HOLY ROSARY

The first half of the Hail Mary is from Scripture: the Angel Gabriel's greeting to the Virgin Mary when God let her know of her unique place in the history of human salvation. The second half is the church's response, our petition to Mary as Mother of God. We acknowledge our need for her help for our salvation now, and we ask in particular for this help at the moment of our death. So many private apparitions of the Blessed Virgin over the centuries have given us messages about this help, and it is a great comfort to believe that Mary will be there when the soul, the source of life for our body, struggles toward a different form of living. Mothers give birth: Mary will be there, no matter when or how death comes to each of us.

### Prayer to Our Lady of Fatima

When Pope John Paul II made the third part of the secret public, he wrote [the following prayer](#), which refers to the Act of Entrustment:

Mother of all individuals and peoples, you know all their sufferings and hopes. In your motherly heart you feel all the struggles between good and evil, between light and darkness, that convulse the world: accept the plea which we make in the Holy Spirit directly to your heart, and embrace with the love of the Mother and Handmaid of the Lord those who most await this embrace, and also those whose act of entrustment you too await in a particular way. Take under your motherly protection the whole human family, which with affectionate love we entrust to you, O Mother. May there dawn for everyone the time of peace and freedom, the time of truth, of justice and of hope.

May Our Lady of Fatima offer you peace, hope, and protection through times of suffering and uncertainty. ( The Basilica)
