

EDGE PROGRAM

Edge is religious education for middle school students 6th-8th. Religious education is required in middle school prior to enrollment in Confirmation during high school.

During Edge classes we review scripture and discuss how the teens can relate these teachings to their everyday life. We also promote fellowship among the teens by partnering them up in activities.

Classes will be bi-weekly Tuesday from 6:30pm - 8:00pm in the auditorium. We kindly ask that you to drop off/pickup your teen in the parking lot behind the school on Sepulveda. Please email me if your child will be absent. All communication will be done via email for now. I can start a GroupMe chat if needed. Please also follow us on Instagram lifeteen_ht. We will also post information here.

We are asking families to donate drinks and snacks for the teens to share during classes. The teens love their snacks!

Every 1st Sunday of the month we will be attending the 5:30pm Sunday Youth Mass. This will be a time for the to help serve at the Mass. I will have snacks and refreshments after that Mass.

Lastly, I plan to hold Edge Nights on 1 Sunday of the month. I am still working on the schedule but most likely the last Sunday of the month.

EDGE CALENDAR 2025-2026
