

Have Spirit. Be involved.

The St. Pius X Parents Association welcomes you and your student to the school!

The SPX Parents Association exists to promote the commitment of parents in a faith-based environment. We support Catholic Education, in an environment commanding excellence to benefit ALL students. The major expectations of all members are active involvement, effective communication and well-balanced sponsorship of classroom and school activities.

The SPX PA is in charge of all concessions at SPX. Every family at SPX is required to work one concession shift a school year. We also offer a buyout option.

All funds raised through concessions and fundraisers are used for: Teacher grants for classroom items, grants to the endowment and contingency funds, refreshments for Back to School night, Open House and New Parent Orientation, teacher appreciation gifts, Annual Christmas Luncheon for the school, After Prom donation, etc.

Please feel free to contact any board members with any questions about SPX you may have!
