## Freshmen Preliminary Schedule: Registration 2023-2024

Graduating seniors need 27 credits: 4 religion, 4 English, 4 social studies, 3 math, 3 science, 1 fine art, 1 practical art (includes ½ personal finance) 1½ physical education (includes ½ health credit), ½ speech, 5 electives. Most students will earn 28 credits. Students may earn ¼ P.E. credit with each organized sport season that is completed, up to a maximum of four (no grade, just a "P"). Introduction to Speech and Health ½ credits are taken freshman year; Personal Finance ½ credit is limited to junior or senior year. Many students take foreign language for a minimum of two years; a highly recommended option for most colleges. Aspirants to college should know that Pius graduation requirements match or exceed admission requirements for most universities. A 4 year plan will be developed for every student with the guidance of the school counselor. This will ensure credits are met for St. Pius as well as college admissions.
