IMPORTANT INFORMATION

FROM

SPORTS MEDICINE

St. Pius X High School requires each student-athlete to have MSHSAA sports physicals on file prior to being allowed to participate in a sport. We have a partnership with Healthy Roster as our online health forms platform where everything will be submitted electronically. The physical examination forms are valid for two years from the date the evaluator signs it, unless otherwise noted. All other MSHSAA forms must be updated and signed annually. St. Pius X High School does NOT accept paper copies of these forms.

FRESHMAN OR TRANSFER STUDENTS: Parents should have received an email invitation from Healthy Roster to set-up an account to complete your student-athlete's paperwork. Once you create an account, you will find all of the MSHSAA paperwork under the documents tab.

UPPERCLASSMEN: You need to log into your Healthy Roster account and under the documents tab you will find documents that have expired that need updated. Just click upload a new document, select one of the annual requirements (student athlete medical questionnaire, student agreement, parent agreement, insurance verification, and concussion awareness form) to complete the form.

For spring sport student-athletes, this needs to be completed by **Wednesday, February 21st.** If you participated in a fall or winter sport, there are no additional documents that need to be completed unless a document has expired.
