CAFETERIA NEWS

SPX is using a new company called Omella for cafeteria deposits and the process may look differently when making a deposit online. Once a deposit is made, please allow 5-7 days for the money to clear into Pius' account and then transfer into your child's account. Please continue to monitor lunch balances via LunchLink and be aware that it may take up to a week for deposits to be viewable in student accounts.

Lunch will cost \$5.25 for the 24/25 school year. A .50 fee will be charged to any student who does not have their ID card at lunch. Students are able to earn a free lunch by volunteering in the cafeteria. If you would like to sign up, click the link below! Any student who has a lunch balance of -\$35 or more will lose access to their FACTS account until the balance is paid in full. Feel free to email me if you have any questions or concerns at bchirpich@spxkc.org
