OUR MISSION

St. George Catholic Church Parish is an open loving parish community united by our faith in Jesus Christ. Located within the Diocese of Baton Rouge, we are closely bound to our diocesan family and the universal Roman Catholic Church. Our prayerful liturgies are community celebrations shaped by a tradition of over one hundred years of Eucharistic worship on this site. Guided by the Holy Spirit, we are called to use our gifts to express our praise, love, and thanksgiving to God. We challenge and support one another in humbly living the gospel message and serving the common good as witnesses of Jesus Christ.

PASTOR'S MESSAGE

April 9, 2023

EASTER SUNDAY

What is the connection between the Easter celebration and our baptism? St. Basil explained:

All of us imitate Christ's death by being buried with him in baptism. If we ask what this kind of burial means and what benefit we may hope to derive from it, it means first of all making a complete break with our former way of life, and our Lord himself said that this cannot be done unless a man is born again. In other words, we have to begin a new life, and we cannot do so until our previous life has been brought to an end.

When runners reach the turning point on a race course, they have to pause briefly before they can go back in the opposite direction. So also when we wish to reverse the direction of our lives there must be a pause, or a death, to mark the end of one life and the beginning of another. Our descent into hell takes place when we imitate the burial of Christ by our baptism. The bodies of the baptized are in a sense buried in the water as a symbol of their renunciation of the sins of their unregenerate nature.

We receive saving baptism only once because there was only

one death and one resurrection for the salvation of the world, and baptism is its symbol.

The women in the gospel witnessed the empty tomb and were transformed into believers after hearing the message of the angel, "He is not here, for he has been raised just as he said." Here we are 2000 years later, and should we not be in awe of the event? It's not just a story that we read over and over, but an actual event that we should ponder and encounter each time we celebrate.

Some may feel that they're here today out of obligation. Yet, if we really look into our hearts, the Holy Spirit who was sealed inside us at baptism has invited us back to the place where it all began. We are here out of love for the God who loved us first and gave himself for us to open the gates of heaven. We are here because we stand together to confess, proclaim, and celebrate that Jesus is alive, that Christ has risen, that Christ has triumphed over death and over every experience of evil in the world.

-Fr. Yi

Eastertime: A Sense of the Season

First, we kept the forty days, with praying, fasting and giving alms. Then we celebrated the three days of Christ's passion, dying and rising. Now we delight in the fifty days, with rejoicing, feasting and giving witness! The season of Easter is fifty days long. It is a time of unbridled joy, of exuberant rejoicing. The Church tells us, "The fifty days from Easter Sunday to Pentecost are celebrated in joyful exultation as one feast day, or better as one 'great Sunday.' These above all others are days for the singing of the Alleluia." (General Norms for the Liturgical Year and Calendar, #22)

Why is Eastertime fifty days? The ancient cultures that gave us the Bible had great respect for numbers. They believed that numbers contained hints about God and the meaning of life. The number seven was thought to contain fullness: There are seven days in the week, according to God's original way of ordering time, creating all that there is and resting. So if you multiply 7 times 7, you have "fullness times fullness."

But wait! 7×7 is 49! With God, there is always more—

more than we can ever imagine. So our holy season of Easter is even more than "fullness times fullness." It's "fullness times fullness" and then some: $7 \times 7 + 1$. That's what love is like: more than we can ever imagine. That's what heaven is going to be like: more than we can ever imagine.

The fifty days are days for looking for the risen Lord among us, for hearing in each other's stories of rising from the big and small deaths, days when we experience something of Christ's triumphs. That's why we look to the newly baptized, robed in bright new clothes and oily with gladness: At Easter, they died and rose with Christ! Now they take their places with us. Together, like the apostles who were so full of the Spirit that people thought they were drunk, we rush about with good and giddy news: Death is not the last word! Life and love are forever! And slowly, painstakingly, we work together, together with Christ, to change this world into the world to come. Sing Alleluia!

Ever Wonder About...

WHY MARRY IN A CHURCH?

Question:

Why are Catholics required to get married in a church, and not outside or at a different venue?

Answer:

Because the sacrament of marriage is a sacred covenant between the husband and wife, the celebration of the sacrament of matrimony is much more than simply a social or family event. So, the rule that the sacrament be celebrated in a church is a way to help reinforce the deeper meaning of Christian marriage.

To help make this clearer, the Church's tradition also normally includes the celebration of the Mass when the marriage is being celebrated between two Catholics, and so a church or chapel is the ideal setting.

For special reasons — which vary from diocese to diocese — the local bishop can give permission for the marriage to be celebrated in another suitable place.
