### OUR MISSION

St. George Catholic Church Parish is an open loving parish community united by our faith in Jesus Christ. Located within the Diocese of Baton Rouge, we are closely bound to our diocesan family and the universal Roman Catholic Church. Our prayerful liturgies are community celebrations shaped by a tradition of over one hundred years of Eucharistic worship on this site. Guided by the Holy Spirit, we are called to use our gifts to express our praise, love, and thanksgiving to God. We challenge and support one another in humbly living the gospel message and serving the common good as witnesses of Jesus Christ.

# PASTOR'S MESSAGE

July 6, 2025

## 14TH SUNDAY IN ORDINARY TIME

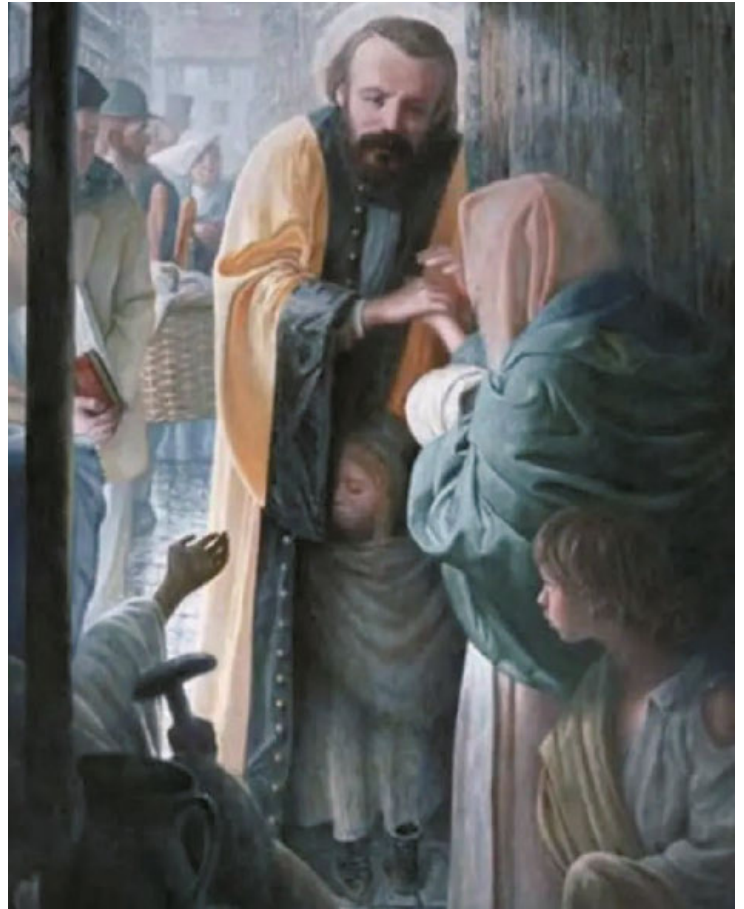

Do you remember when you were 20 years old? Were you attending college, in a fraternity or sorority perhaps? Or were you already working, perhaps married with children. I'm sure you can fondly remember how much youthful energy you had. I'm going to tell you a true story of a 20-year-old young man who lived in an era which was portrayed in the movie *Les Miserable*.

A young student arrived in University of Paris in early 1800's. He surrounded himself with young Catholics like himself and they met together to discuss various topics. At one gathering, a student challenged him and other practicing Catholics. The student admitted that the Catholic Church had done much good work in the past, but "what do you do now?" This question prompted this 20 year old, a sensitive young man of modest middle class background, to take a good look at the misery of the working poor of Paris. He said to his Catholic friends, "If we are too young to intervene in the social struggle, are we then to remain passive in the middle of a world which is suffering and groaning? No, a preparatory path is open to us. Before doing public good, we can try to do good to a few. Before regenerating France, we can give relief to a few of her poor." The 20-year-old Frederic Ozanam and his friends formed "Conference of Charity" from which was born the Society of St. Vincent de Paul.

Although there were social programs run by the government at the time, the St. Vincent de Paul Society took a very different approach, an approach they learned from the gospel we heard today. Members were sent out two-by-two, into the homes of the poor of the city of Paris. They weren't there to give a handout.

The Society's rule explained how and why they went personally into the homes. The rule said, "The vocation of the Society's members, who are called Vincentians, is to follow Christ through service to those in need and so bear witness to His compassionate and liberating love. Members show their commitment through person-to-person contact. Vincentians serve the poor cheerfully, listening to them and respecting their wishes, helping them to feel and recover their own dignity, for we are all created in God's image. In the poor, they see the suffering Christ. Vincentians endeavor to establish relationships based on trust and friendship. Conscious of their own frailty and weakness, their hearts beat with the heartbeat of the poor. They do not judge those they serve. Rather, they seek to understand them as they would a brother or sister."

Who is called to do such charity? Specialists? Jesus sent his disciples out to help him reap the harvest. Are we not

disciples? We tend to leave it to the specialists—to priests, nuns, missionaries. The people Jesus sent out weren't specialists. Yet they became his instruments. The 72 began by being Jesus' disciples. Then he steered to goals beyond themselves by making them his apostles. The Lord asks us to share with others what we have received from him.

Pope Francis spoke about what it is to be a disciple of Jesus. He said, "To meet the living God we must tenderly kiss the wounds of Jesus in our hungry, poor, sick, imprisoned brothers and sisters. Study, meditation and mortification are not enough to bring us to encounter the living Christ. Our life will only be changed when we touch Christ's wounds present in the poor, sick and needy."

Our Lord spoke of harvest in today's Gospel. The harvest is indeed great for those who have eyes to see it and a heart to respond to it. It is in our hospitals, homes, schools, prisons, workplaces, neighborhoods. Every day is a harvest day.

## Ever Wonder About...

### CARRY YOUR CROSS

#### Question:

As Catholics, we talk a lot about "redemptive suffering" and "carrying your cross." What does that mean practically in daily life?

#### Answer:

When Jesus spoke these words, they would have sounded quite intense to his hearers. "Pick up your cross daily and follow me." At the time, Jesus hadn't yet been crucified. A cross was a Roman torture instrument. "Pick up the thing that tortures you the most," Jesus seemed to say. Unfortunately, most of us have no real shortage of these in our life. To take up the cross isn't to seek out new sufferings in our life. It's to accept the life we have.

Of course, unjust or unhealthy circumstances should be rectified when possible. But there are always circumstances that remain out of our immediate control. It could be pain management, the defiance of our teenage child, or an unhealthy work environment ... but you need the paycheck to pay the bills. In difficult circumstances, it can be easier to blame, complain, or daydream our way out of it. None of these are real solutions, since none of them accept the reality of the situation at hand. Those options only add to our suffering, since they damage relationships, fixate on the problem, or set up unrealistic expectations.

Instead, Jesus invites us to take up our cross — to look at the uncomfortable situation square in the eyes, take a deep breath, and do our best to be present to God's grace in the moment. To love those in our path. To take things one step at a time.

## CREATION CARE MINISTRY

ST. GEORGE  
CATHOLIC CHURCH

*"It is required of stewards that they be found faithful." — 1 Cor 4:2*

### CONSIDER

Stewardship is defined in Merriam-Webster's dictionary as conducting, supervising, or managing something, especially the careful and responsible management of something entrusted to one's care. God created our Earth and entrusted its care to us. As His stewards we are responsible for the care and protection of His wondrous works. Environmental issues that humans contribute to and that affect all of us such as pollution, deforestation, extreme weather conditions, etc., should be of great interest to us. Learning about such problems in our communities should be a primary concern for God's good stewards. Good stewards would then work towards solutions.

### PRAY

Ask God for the perseverance to be a faithful steward of His creations.

### ACT

As an individual you may think your job as a steward of the Earth is too big to tackle. But if we each focus on little things, collectively we can make things happen. Some small things to consider in our stewardship of God's creations:

- Use the car less by walking more, cycling or carpooling.
- Use reusable grocery bags & water bottles.
- Switch to doing your laundry in cold water.
- Use cloth napkins rather than paper napkins or paper towels.
- Plant a garden or a tree.
- Turn off the extra TVs that no one is watching.
- Spend time cleaning up a public place.
- Volunteer your time and skills to community groups supporting good stewardship of Mother Earth.

## Devotions, Explained!

### ST. MICHAEL PRAYER

#### Explained:

The prayer to St. Michael invokes the protection of the archangel Michael in the ongoing spiritual battle for the souls of all mankind. This prayer was composed by Pope Leo XIII and its use was instituted in 1886 at the end of Low Mass, a tradition which continued until the liturgical reforms of the Second Vatican Council. A popular story regarding its origin claims that the Pope wrote this prayer after having a vision of demonic spirits descending on Rome.

Michael is mentioned as one of God's seven archangels in the Book of Enoch and is presented by Revelations 12:7-12 as the warrior angel who cast Satan from heaven. He is therefore traditionally venerated as a protector against the forces of evil and a guardian of the Church. The Prayer to St. Michael is still commonly said at the end of the rosary and by some parishes after the conclusion of Mass.

©LPi

*St. Michael the Archangel, defend us in battle. Be our defense against the wickedness and snares of the devil. May God rebuke him, we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls. Amen.*
