

**Incoming 8th Grade
Summer Reading List
2026**

3 Required - All students must read the following selections:

1. The Devil's Arithmetic - Yolen (ELA requirement)
2. Eleven - Tom Rogers (Social Studies Requirement)
3. Nonfiction book of your choice

Required assignment:

Create a Google Slide Show of your **NONFICTION** book.

It should include **3 slides** including:

1. Title page
2. Summary of what you learned in 100 words
3. Your opinion of the book with a rating
4. You will submit this in September

****You will be tested on Devil's Arithmetic in ELA**

**** Eleven will be discussed and assessed in Social Studies class**

****As you read, taking notes is recommended. Keep track of main characters, settings, events of the plot, conflicts, and the resolution of each book.**
