

**St. John School, North End
Substitute Teachers**

About St. John School

St. John School (SJS), located in the North End of Boston, educates students aged 2 years through Grade 6. Founded in 1895, the school has educated generations of families from Boston neighborhoods to the suburbs of Boston. We strive for academic excellence rooted in a diverse, warm, and caring school family. We offer students the resources for children to become the very best versions of themselves and the foundation to move onto the finest independent and Catholic high schools in and around Boston.

Responsibilities

Our ideal candidate is adaptive, caring, and passionate, with professional experience working with elementary school-aged children. Responsibilities include ensuring the safety and well-being of children in the program, teaching classes according to substitute teaching plans provided by the absent teacher, providing general program supervision, implementing activities, and guiding and supporting children according to their development needs.

Requirements

Candidates must have experience working with elementary-age school children. Bachelor's degree or degree in progress with relevant experience preferred. Employment offers are contingent on successful passing of a MA Background Records Check (CORI, SORI, DCF, and Fingerprinting).
