Saint Benedict
Saint of the Day for July 11
 (c. 480 - c. 547)

It is unfortunate that no contemporary biography was written of a man who has exercised the greatest influence on monasticism in the West. Benedict is well recognized in the later Dialogues of Saint Gregory, but these are sketches to illustrate miraculous elements of his career.

Benedict was born into a distinguished family in central Italy, studied at Rome, and early in life was drawn to monasticism. At first he became a hermit, leaving a depressing world—pagan armies on the march, the Church torn by schism, people suffering from war, morality at a low ebb.

He soon realized that he could not live a hidden life in a small town any better than in a large city, so he withdrew to a cave high in the mountains for three years. Some monks chose Benedict as their leader for a while, but found his strictness not to their taste. Still the shift from hermit to community life had begun for him. He had an idea of gathering various families of monks into one "Grand Monastery" to give them the benefit of unity, fraternity, and permanent worship in one house. Finally he began to build what was to become one of the most famous monasteries in the world—Monte Cassino, commanding three narrow valleys running toward the mountains north of Naples.

The Rule that gradually developed prescribed a life of liturgical prayer, study, manual labor, and living together in community under a common abbot. Benedictine asceticism is known for its moderation, and Benedictine charity has always shown concern for the people in the surrounding countryside. In the course of the Middle Ages, all monasticism in the West was gradually brought under the Rule of St. Benedict.

Today the Benedictine family is represented by two branches: the Benedictine Federation encompassing the men and women of the Order of St. Benedict; and the Cistercians, men and women of the Order of Cistercians of the Strict Observance.

Reflection

The Church has been blessed through Benedictine devotion to the liturgy, not only in its actual celebration with rich and proper ceremony in the great abbeys, but also through the scholarly studies of many of its members. Liturgy is sometimes confused with guitars or choirs, Latin or Bach. We should be grateful to those who both preserve and adapt the genuine tradition of worship in the Church.

Saint Benedict is the Patron Saint of: Europe, Kidney Disease, Monastics, Poisoning, Schoolchildren

ST. JOSEPH YOUTH GROUP STRIVING FOR HOLINESS

To The Heights

The Higher we go, the better we shall hear the voice of Christ

Blessed Peir Giorgio Frassati

Theme song: Springtime by Chris Renzema

The deeper You call us, the deeper we'll grow

THOUGHT: WISDOM

Since the Holy Spirit dwells in us, we are fully equipped to be holy.

CHALLENGE: Pause before responding to people or situations giving the Holy Spirit space to act through you. Hasty words and actions leave little room for the Spirit to impart His wisdom.

REFERENCE: Whoever preaches, let it be with the words of God; whoever serves, let it be with the strength that God supplies, so that in all things God may be glorified through Jesus Christ, to whom belong glory and dominion forever and ever. Amen. IV. Advice to the Persecuted - Trial of Persecution.
