K-8 Catholic Grade School

St Louis, MO stsimonchurch.org

Message from Fr. Brad

Dear Parishioners,

Some of you may have already seen Archbishop Rozanski's letter from Tuesday of this past week, announcing a delay within the All Things New strategic planning process concerning *parish grade schools*. Previously, the proposed timeline for an announcement concerning the future of parish grade schools was going to be made in January of 2023. As Archbishop Rozanski explains in his letter - after hearing from many pastors, principals, parents, and educational leaders - that timeframe is not feasible. Please read Archbishop Rozanski's letter, found in its entirety in this bulletin, which announces a shift in the decision about parish schools to the 2024-25 school year.

I want to emphasize again: **this strategic planning process is NOT "already decided", is NOT a "done deal", and is NOT something "that they already know what they are going to do."** The decision concerning parish schools was made by Archbishop Rozanski in response to the many comments and concerns from us – me, you, and so many other people within the Archdiocese of St. Louis! It is essential that all of us continue to engage this strategic planning process, to give our feedback, our comments, and our concerns when we have the opportunity to do so.

I want to thank all who attended our parish listening sessions on November 1st and 3rd, for taking the time to listen to the presentation of the data facing the Archdiocese of St. Louis, and for providing your comments in response to the four draft models involving our parish. There will be another opportunity coming soon, to give your specific and open-ended feedback concerning the four draft models. If you attended one of the listening sessions, you should receive an email from the Archdiocese with a link to a survey after November 16th; if you were unable to attend one of the listening sessions, you will still have the opportunity to take the same survey, along with viewing the entire presentation that was made at the listening sessions. We will make that information known of how to take the survey as soon as it is distributed by the Archdiocese.

Have a healthy and holy week!
St. Simon the Apostle pray for us!
Sincerely,
Fr. Brad

**St. Vincent De Paul Society:****Thirty-third Sunday in Ordinary Time**

The Gospel predicts end times; our challenge though is to live faithfully now. St. Vincent often asked this simple question: "What would Jesus Christ do, if he were in my place now?"

ASK YOURSELF "WHAT WOULD JESUS CHRIST DO?" AND THEN PUT YOUR GIFT IN THE SOCIETY OF ST. VINCENT DE PAUL POOR BOX SO THAT THOSE WHO ARE SUFFERING WILL BE ABLE TO CELEBRATE THANKSGIVING.

November 13, 2022 33rd Sunday in Ordinary Time

"...Rather, we wanted to present ourselves as a model for you, so that you might imitate us." 2 THESSALONIANS 3:9
Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their words and actions, others do take notice. They notice because of the joy and peace that results and others desire this in their own life. Know that the way you live your life may be the only interaction others may have with our Catholic faith.

November 8, 2022

Dear Faculty and Staff,

During this season of Thanksgiving and gratitude, I remain thankful to all of you for choosing to share your gifts to help raise our children in our Catholic faith. As a product of Catholic education, I know the profound effect you are having on our students and their parents.

As you know, from the outset of All Things New, we have been discerning the current ministry in our 85 parish based K-8 grade schools that currently educates 19,000 students. As you also are aware, many of our grade schools have struggled to find the balance between accessibility, affordability, and just teacher wages while also dealing with shifting demographics, all while being good stewards of the parish's overall resources.

Pentecost of 2023 (May 2023) has always been the planned date for the announcement of the revised Archdiocesan parish footprint, along with goals for evangelization and social outreach that will be implemented over the next several years. Obviously, as ministries of our parishes, parish grade schools will be affected by any changes to the parish landscape.

Families, pastors, and you immediately responded that a May 2023 timeframe for school announcements would not be feasible for several reasons: your contracts that need to be issued, enrollment for families of our students, scholarship opportunities and parish budgets all need to be in place earlier in the calendar year. In light of this, All Things New was striving to stabilize the school footprint by January of 2023 in the midst of a dynamic parish planning process. However, in response to the feedback we have received from pastors, principals, school families and you, along with the recommendation of the school planning committee, we understand that we need to adjust our implementation timeline. We believe changes to schools will occur, organically at the parish level, allowing the parish communities themselves to come up with some creative solutions.

The All Things New pastoral planning process will continue to work towards a reimagined parish landscape for Pentecost of 2023. Only after we have discerned what the parish landscape should look like will we discern what our parish schools should look like since they rely heavily on parish support.

Once the new parish landscape is known in May of 2023, the Office of Catholic Education and Formation along with the All Things New implementation team will work with our school communities on what changes could be made for the 2024-2025 school year.

If you have any questions, I would encourage you to contact your principal, pastor or Regional Superintendent in the Catholic Education Office. We will be sending this information to parents shortly.

Please continue to pray that our only desire is to do all things for the greater glory and honor of God and for the good of His people in the Archdiocese of St. Louis.

Sincerely yours in Christ,

A handwritten signature in black ink, reading "Mitchell T. Rozanski".

**Women of St. Simon join us for:
Advent by Candlelight
St. Simon the Apostle Catholic Church
Lower Church Hall
Sunday, December 4, 2022
6:00-8:30 pm**

"Have a Mary Christmas"

Who is Invited?

The event is offered to ladies, high-school age and older. You do not need to be a member of St. Simon the Apostle to attend. Take the opportunity to invite friends or family and gather a table. Because of limited seating, reservations are required.

What is this event?

Advent by Candlelight is a special event for women to set aside the hustle and bustle of holiday preparations and focus their minds and hearts on the birth of Christ. This evening includes uplifting scripture readings, music and reflections from our speaker. This is a free event, however, a goodwill offering at the end of the evening will be accepted.

How does it work?

In an atmosphere lit only by candlelight, as a hostess, you will set a banquet table (8 seats, including your place). You may do this on your own or share the responsibility with a friend. You, as the hostess, may invite ladies to sit at your table, or allow the seats to be filled via the sign-up process. You may bring fancy dinnerware, wine glasses, and silverware making it elegant, or keeping it simple with paper products. If you desire, your guests can bring part of the meal of their choice (appetizers, entrée, and/or dessert) or you can provide the entire meal for those at your table. There is no requirement to be a hostess, or you can just sign up to be included in a table with open spaces.

information, contact:
