

The Youth ministry group (Alex Foerstel) presented information on their Golf tournament on 10/22/2022 at Paradise Valley course. Openings are still available. Funds raised will offset expenses for the Stubenville Conference next year.

Opening prayer given by President Pete Guntli.

Secretary's report by Paul Hemmann: September minutes were read.

Treasurer's report by Tim Cuneo: New balance of the H.N. account is \$40,934. This balance reflects disbursements for scholarships, bulldog raffle, soccer referees, etc.

Athletics report by Chris Hof: The CYC south county council is sponsoring a food drive in October, details are forthcoming. There is a sports survey that has been sent out to school parents seeking input on assorted topics. The soccer season is underway, and there are six boy's teams and three girl's teams. Soccer intermural has 34 pre-K and kindergarten participants. The volleyball referee positions have been filled, but we are still in need of more soccer referees.

Presidents report by Pete Guntli:

Pete encourages everyone to enjoy and appreciate all the events that St. Simon offers, as this may change with the 'All Things New' campaign.

Pete is asking for ideas to make the December Holy Name meeting a celebration.

Sick and Deceased report by Tony Sebben: Mass cards have been sent for the health of John Bader, and for Jim Hoffmann. Mass cards sent in memory of George Basler Sr., Louis Exler, Michael Hejnal, Suzanne Mitchell (mother of Elizabeth Meyer), Marilyn Stalzer (mother of Pat Tornatore), and Kathryn Williams.

White House retreat: Almost full census for St. Simon, let us know if you want to go. Feb. 16-19.

Tony also encourages everyone to participate in parish functions, to go to mass, to pray, and be positive as we learn more from the 'All things new' campaign.

Organizations report:

The Simon Says trivia night is scheduled for November 5, 2022.

Boy Scouts: (Chuck Roessler) The Cubs scouts troupe disbanded 2 years ago. Several St. Simon teachers are starting the cubs' scouts again. It will be for both boys and girls combined. Mark Braun made a motion that H.N. give \$500 as seed money for the new troupe. Motion passed.

Parish Council: 'All Things New' report by Dan Cerutti. Dan encourages all to sign up for one of the two listening sessions. There are 205 signed up so far which is only one-third participation of 600 total spots. Prepare for the session by viewing our parish workbook which contains census, sacramental, educational, and financial data. This can be found on the link within the St Simon website home page. Dan also has paper copies of parish workbooks

for south county parishes. Dan gave a very impassioned plea to support our parish and to attend the listening sessions, slamming down the workbooks for dramatic effect.

Pete echoed Dan's plea for support and mentioned that three models for parishes will be presented, and that parishes can also prepare their own plans for a parish model.
