WELCOME TO OUR PARISH

We at St. Joseph Catholic Church would like to extend a warm welcome to all those who have recently joined our parish family, and to all who are visiting or are new to the area. If you are not currently registered at the Church and attend this parish regularly, or you are interested in our parish, please stop by the Parish Office and introduce yourself and your family. Registration is easy, just fill out a registration form, available at the back of the church. Registrations may be dropped in the collection basket or taken directly to the parish office.

FAMILY CONNECTION

Many things in our lives and in our world are subject to change. Foremost among these are our family relationships. We can confidently accept change if we know that we will continue to be loved by our family and by God. We help impart this sense of trust and confidence in our children with our daily assurances to them that nothing can change our love for them.

As you gather as a family, look through several family photo albums. Observe and talk about things that have changed in your family life over the years. Talk also about the things that have stayed the same. We do not need to fear changes in our family life because we know that the most important aspects of our family life do not change, such as our love for one another. The same is true with God and God's love for us. Read today's Gospel, Mark 13:24-32. Jesus teaches us that thing in our world will change and that the world itself will one day end. We don't need to be fearful because God's love for us will never end. Conclude in prayer together thanking God his never-ending love for us. Pray together the [Glory Be to the Father](#).
