

ASSEMBLY OF CATHOLIC BISHOPS OF ONTARIO

2025-2026 Insurance Program Summary for Third Party Rentals

The Assembly of Catholic Bishops' Parish User Group Insurance Program is intended to provide cost-effective insurance coverage to third parties renting parish facilities for common activities including but not limited to meetings, fitness classes, celebrations, weddings, baptisms, and cultural and social events. Coverage options also available for Parish based events that require Liquor Liability coverage.

This insurance program is set up to comply with the Assembly of Catholic Bishops of Ontario requirements and includes coverage for each parish hall and the ACBO accordingly.

Coverage can be purchased using our online secure portal where renters can apply, submit payment and the insurance coverage is emailed to them directly. Optional box also included to input the parish email address, this will ensure the insurance is emailed to the parish hall directly. Paper applications are no longer accepted.

Pricing for this program is dependent on each specific event and is rated per event type, number of participants and if there is liquor involved. Please refer to the separate rate schedule.

Please note: this program renews on October 1 each respective year. Therefore, there will be a short period of time each year where application for events after Oct 1st, may be on hold until we are able to update the online portal. We try to have the portal updated about 30 days ahead of October 1st.
