Conduct issues are handled through the Office of Religious Education & Youth Ministry. Volunteers site incidents to the ORE & YM office for review upon upcoming events. Volunteers may redirect a student for behavior correction. If the student does not respond respectfully, parents are contacted and student is dismissed from event. Pastor may review on a case by case assessment. Parents, please remind students that volunteers offer their time and effort to support this ministry and should be treated with respect.

Adult Volunteers must be approved by both the Diocese of Beaumont, HTCC Youth Ministry Leader/Parish Catechetical Leader in order to attend and serve in our CCE/Sacrament Preparation Classes and Youth Ministries.

*Approved background check on file as conducted by The Diocesan Human Resources Department. Completion of Protecting God's Children. Diocese of Beaumont establishes their independent terms of qualifications and conduct for children of the Diocese to attend events.
