**Pastor's Notes: Relief for Our Hispanic Community**

July 26, 2020

The Basilica of Sts. Peter and Paul has been approved for a grant from the Pope Francis Charitable Trust fund to help alleviate the needs supplement people's necessities while they are quarantined or sick and unable to work, including food, medicine, daily necessities, rent, and utilities for our Hispanic community in Chattanooga.

The Pope Francis Charitable Trust Fund was created through the HOME Campaign. 10% of all dollars raised in the HOME Campaign have been set aside to provide matching grants to parishes to foster or accelerate their local charitable efforts.

As you are aware, our Hispanic community often are the most vulnerable. The disruption that we feel in our lives due to the coronavirus is amplified for those who are living on the margins. This community has shown great faithfulness and are very family-oriented, and they do what they can to help each other out. But every little bit counts. Although this grant is only for \$5,000, it will go a long way to helping particular families who are quarantined make it through another month with a roof over their head or with groceries in their pantry.

You also may be aware that we had to delay the return of the public Spanish Masses due to an outbreak of coronavirus within that community. After more than a month of extension since the English Masses resumed we have seen the Hispanic community respond with responsibility, taking the proper precautions necessary to combat the spread of the disease further, as they have been on the forefront of its effects.

One thing that was also delayed in the community were the Sacraments of Initiation for RCIA, Baptisms, First Holy Communion, and Confirmation. Happily, this month we are slowly making up for those delays. On July 11, we had the Baptisms. On July 18, we had the RCIA Initiation Mass. On July 25, we had First Holy Communion, and our Confirmation is scheduled for next Saturday, August 1. We are offering these sacraments as smaller gatherings while observing the same safety provisions we have in place for Mass, including social distancing between households, wearing of masks, use of hand sanitizer, and disinfecting cleaners.

Please pray for all those who have been patiently waiting for their sacraments, that they may bear fruit in their lives. I share with you here some photos from the recent Baptisms.
