INTRODUCTION

The story of our diocese reflects again the story of the political and cultural history of our area. The reconstruction was still a fact of history and the near-bankruptcy of the Archdiocese due to the fiscal policies of Archbishop Perche was still affecting the development of the church in the area of the Diocese of Baton Rouge.

Bishop Leray, who was appointed as Coadjutor with right of succession when he was appointed as Administrator of the Archdiocese in 1879, became Archbishop in fact at the death of Archbishop Perche on December 27, 1883.

The beginning of the church of Smoke Bend, whose records start in 1884, has an rather unusual beginning. In 1875 Father Ceuppens undertook the building of the new and imposing edifice for Ascension Parish in Donaldsonville. The work went very slowly due to the strained financial conditions of the times. In 1883 as Baudier writes "difficulties arose between the pastor, Father Ceuppens, and the wardens of the parish over the management of the temporal affairs of the Parish". (Roger Baudier, The Catholic Church in Louisiana, p. 573) The controversy arose over the control of the finances by the Wardens.

When Father Ceuppens attempted to exert his authority over the temporal affairs of the parish, the wardens obtained from the court the legal right to continue control over the church finances. An injunction was given by the court enjoining either Archbishop Perche or Father Ceuppens from interfering in any way in their control over the church finances.

As the controversy grew, it is said that Father Ceuppens had to flee from an angry group of parishioners and take haven in Smoke Bend. The church of Donaldsonville was placed under interdict for two years. Because of their kindness to Father Ceuppens it is reported that the Archbishop promised the people of Smoke Bend that they would always have a priest to serve them.

Smoke Bend was not formally established as a parish by Archbishop Janssens until 1893, at which time a church was built. However, Father Ceuppens ministered to the people of Smoke Bend earlier and began to keep official church records for the Smoke Bend community in October of 1884.

In the northern part of the present diocese of Baton Rouge Father H. Cajone was appointed pastor of East Feliciana in 1878. The priest's residence at that time was in Jackson. Father Cajone began the task of building a church in Clinton to which place he moved his residence upon

completion of the Church.

Seeing the need for a Catholic School in Clinton Father Cajone's requested the Sisters of St. Joseph to open a school in Clinton. This was done in 1884. The solidity of the faith in that area may well in a large part derive from the work of the Sisters of St. Joseph's school. This school was in existence until 1894. Nowadays it is worthy of note that the sisters have returned to East Feliciana and St. Helena Parishes, almost a hundred years later, as Pastoral Associates.

Volume 16 contains 8665 entries. These include records of 5319 baptisms, 1732 marriages and 1614 burials. This volume of church records of the Diocese of Baton Rouge was produced under the supervision of Mrs. Una Daigre, Diocesan Archivist. As in previous volumes our gratitude goes to Mrs. Rita Matherne and Mr. Jack Pastorek for their skill in organizing the material for this volume. They were assisted by Mrs. Lettie Counce.

Volume 16 was prepared from abstracts entered into databases on Apple II computers, then organized and transferred into the ClarisWorks program on a MacIntosh computer for final printing.

Certificates and photocopies from microfilm of the baptisms, marriages and burials in this volume can be obtained from the Department of Archives, Diocese of Baton Rouge, 1800 South Acadian Thruway, Post Office Box 2028, Baton Rouge, Louisiana 70821.
