****PERMISSION SLIP FOR STUDENTS IN GRADES K-5****

Child Safety Program

*****Permission Slip*****

Shrine Catholic Grade School is once again offering the “Think First Stay Safe” program. It is a requirement of the Archdiocese of Detroit that we offer these classes in each grade. Shrine has offered this program to students since the 2005-2006 school year. It is a personal safety program that is currently used in over 1,000 schools nationwide and has been featured on many national television news and talk shows.

The program was created to improve self-reliance, raise self-esteem and help master personal safety skills all while reassuring students that most people are kind, safe and committed to their well-being. Students will learn to identify specific lures used in crimes against youngsters and how to employ proven prevention strategies. The program also teaches internet safety, drug resistance and school violence prevention. The teachers in **Kindergarten-5th Grade** will present lessons from the program this year. The manual of this program is available for parent preview. If you have any concerns, or are interested in previewing the manual, please contact your child’s religion teacher.

Please complete and return the form below by **Friday, September 9, 2022**, for each child in your family.
