28TH SUNDAY IN ORDINARY TIME

They were exceedingly astonished and said among themselves,
"Then who can be saved?" Jesus looked at them and said,
"For human beings it is impossible, but not for God.
All things are possible for God." - Mk 10:26-27

Ellos se asombraron todavía más y comentaban entre sí:
"Entonces, ¿quién puede salvarse?" Jesús, mirándolos fijamente,
les dijo: "Es imposible para los hombres, mas no para Dios.
Para Dios todo es posible". - Mk 10:26-27

WEEKLY REFLECTIONS

GOSPEL MEDITATION FOR OCTOBER 10TH

If we are truly in love with God, then the basics are not going to be enough. That love is going to want to be expressed in going above and beyond, in leaving the comfortable and familiar, in stretching and growing, and in following a voice other than our own. St. Teresa of Calcutta rightly instructs us that for "love to be real, it must cost, it must hurt, it must empty us of self." Being in love with God requires more than just checking the boxes of the commandments. It requires a sincere and unconditional self-investment. Desiring God with our whole heart, mind, and soul means that I must also desire a relationship with my neighbor with that same degree of fervor.

Biases and prejudices usually occur when people are kept at a distance and treated as objects. We cannot truly know our neighbors, especially if they are different than us, if we keep them in boxes and do not listen to their stories. When we open ourselves to listen to another person's story, we begin to realize more how similar we are than dissimilar. Being overly attached to our possessions, ideologies, agendas, lifestyles, and personal needs are absolute barriers to achieving the type of personal investment love demands. This is why following Christ can be difficult. It is less a matter of intellect and more a matter of heart and soul. It requires that we transfer our treasure from an investment in tangible secular things and move it into the Kingdom of God. It is only the gift of wisdom and discernment that can help us decide what to do and how to do it.

Contemporaries of Jesus would know that a camel could not enter through the portal of a city weighed down with the baggage it was carrying. In order to enter, the baggage must be removed so that the animal could fit through the entry way. The same is true for us. We carry a lot of excessive baggage around with us that keeps us tethered to our past histories, wounds, myopic world views, prejudices, fears, and suspicions. To invest ourselves in the Kingdom of God, do God's work and live out our love relationship with God, we need to shed the extra weight. While it may seem that a lot of that stuff is necessary, it really is not. We are much more than the things that we think define us and more secure than we think. The more there is to hold on to and the more that we carry with us, the harder it will be to leave it all behind. Many choose not to and walk away sad because they are not ready to trust.

MEDITACIÓN DEL EVANGELIO 10 DE OCTOBRE

Hemos vivido en estos dos años experiencias inimaginables en nuestras vidas. Si hace tres años nos hubieran dicho que esto de la pandemia pasaría, no lo hubiéramos creído. Sin embargo, el tiempo de confinamiento en casa, el cuidarnos los unos a los otros, el distanciamiento y la limpieza, junto con el ser vacunados, nos ha llevado a apreciar y creer lo que escuchamos hoy en la liturgia de la Palabra. La primera lectura describe con lujo de detalle lo que es apreciar lo más importante: *"Oré y me fue dada la inteligencia; supliqué, y el espíritu de sabiduría vino a mí. La preferí a los cetros y a los tronos, y estimé en nada la riqueza al lado de ella" (Sabiduría 7:7-8).* ¿Qué nos enseña está lectura con referencia al tiempo que estamos viviendo? ¿Qué debemos de apreciar ahora?

Bueno, para seguir reflexionando, Jesús en el Evangelio lo pone clarísimo con un mensaje exigente y radical, poniendo en contraste la riqueza y la sabiduría. Su mensaje: *"Sólo te falta una cosa; vete, vende todo lo que tienes y reparte el dinero entre los pobres, y tendrás un tesoro en el Cielo. Después ven y sígueme" (Mateo 10:21).* Más claro que el agua no puede ser. Seguir a Jesús es el siguiente paso. ¿Cómo? Dándonos unos a otros hasta que duela. Los pobres son el gran camino para el cielo y creo que durante el confinamiento que hemos vivido todos somos pobres, porque a todos nos falta de alguna manera la salud, el trabajo, y todos hemos perdido a algún ser querido durante este tiempo. ¿Qué opinas de la invitación de Jesús? ¿Crees que es actual o está pasada de moda?
