2023-2024 School Year Before Care

For the convenience of our parents, beginning on Monday, September 11, 2023, Academy of Our Lady of Grace will provide "Before Care" for any student from 7:20 AM until 7:50 AM. The cost for this service will be \$3 for each day that the child attends. **Before Care will be billed via your FACTS account twice a month.** Children must enter the school through the gym door (located on Kamena Street) and ring the bell that is located in the left hand corner of the doorway.

If you will be using this service beginning in September, please fill out this form below and return it to the school office on the first day of school.

Thank you for your cooperation in this matter.

I am interested in enrolling my child in the "Before Care" program. I understand that care will not begin before 7:20 AM and that I will be required to pay \$3 per child each day that my child attends. **ALL PAYMENTS WILL BE BILLED VIA FACTS.**
